Collapsible Tunnel Vote Results

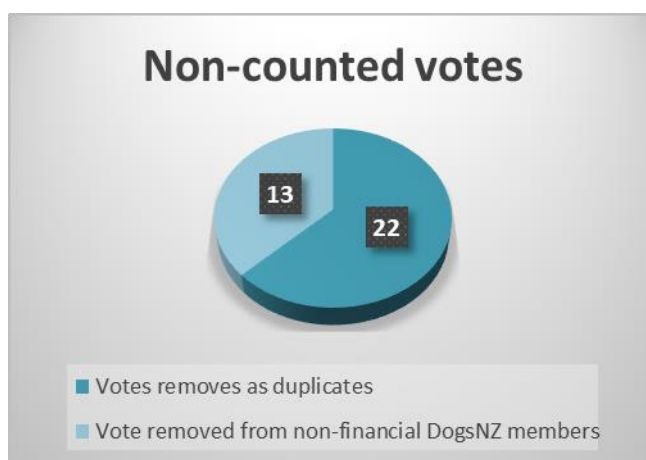

Thank you all for taking the time to vote on this survey.

There was a total of 414 entries on the survey. 4 entries skipped the only question and were therefore not able to be counted.

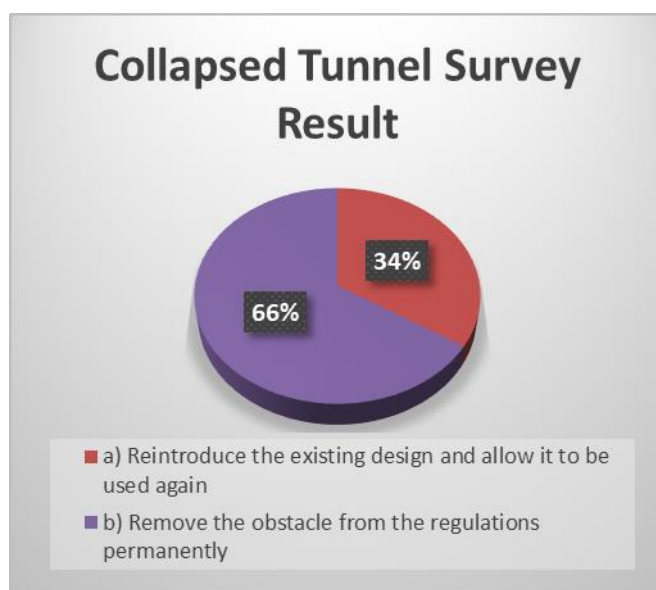

The raw data was then analysed on two counts

- a) Were there any duplicates – found 22 duplications
- b) Were any entries made by DogsNZ non-members or non-financial members – found 13

These 35 votes were removed from consideration

The remainder of the votes were as follows

Conclusion

The results show that a majority of people voted to have the collapsed tunnel removed from the regulations.

The agility Committee will forward this regulation change to the DogsNZ Executive for confirmation at their November meeting.
