

ZONE THREE awards 2014.

This year the Zone awards were calculated using the www.dogagility.org.nz results at the end of the year. Under the "Event info" button there is an option called "Year to date league". You can select class type as well as height group, and from this the final results were calculated. This means that people no longer have to collect and send in their points. It means that everyone in Zone 3 has a chance, not just those who collect their own results.

This year the recipients were:-

STARTERS/NOVICE: John Fraser & Red (DAWG)
Runnerup: Mike Butler and Idol (DAWG)
