

# OTAGO CANINE TRAINING CLUB

Championship Agility Event x 3,  
Top Starter Dog, Overall Top Dog  
Otago Equestrian Centre, Dukes Road, Mosgiel  
24/25 July 2010

## Competitor Information

**Catalogue:** *available free online from either*

[www.octc.org.nz](http://www.octc.org.nz) under Show Catalogue or [www.dogagility.org.nz](http://www.dogagility.org.nz) under Catalogues

### **Show Managers**

David Cook & Anne Bevin - both days

### **Judging Order**

Saturday: St1, Int1, Nov1, Sen1, Int2, St2, Nov2

Sunday: Sen2, Int3, Nov3, Sen3, St3

Judging commences: 08:30 (First course walk 08:15) both days

### **General Conduct - Please help maintain the good image of our sport!**

A reminder to all competitors to demonstrate good behavior and sportsmanship at all times towards officials, helpers and fellow competitors. If any issues arise please take them quietly and discretely to the Show Manager in the first instance.

Any official complaints will be dealt with by the Disputes Committee.

### **Course Walking**

The timer display will be in count down mode during course walking. Watch the time remaining and leave the course promptly when it reaches zero and the horn sounds.

All class helpers to be on their station and first competitors lined up ready to run when course walk ends.

### **Scratchings**

If you intend to scratch from the class in progress, please advise the Call Steward as soon as possible. If you know you are scratching from future classes or definitely know of scratchings for other people, please report those to the Score Desk so we can amend the call sheets.

### **Assembly Area**

Please be in the assembly area in plenty of time for your run. Keep entry to the arena clear for dogs / people that need to be passing through. Leave clear access to the call board for those checking in. You must get to the ring entrance via the call board and laneway. A host person at the arena entrance will minimize any start line delays.

### **Laneway - next 2 dogs at ring entrance end of the laneway**

Call steward will want a couple of dogs at the ring entrance end of the laneway plus another 3 or 4 checked in, ready to feed in from the assembly area. We don't want the laneway chocker full of dogs getting cold and making pedestrian access even harder for our helpers. If the next dog or two are by the ring entrance and ready, others can remain warming up in the assembly area - but please move promptly when needed!

**Continues over >>>>**

## Running Order Clashes

Handlers with multiple dogs have already been allowed for, but if we have missed any occurrences or left insufficient gap, let us know before the class begins. We will adjust if necessary, but multiple dogs will run in the order they were placed by the random draw. Be reasonable in your requests to be moved - just wanting to leave early is not always a good enough reason unless it is for a specific appointment - we ALL want to get away as quickly as possible!

## Numbers - to be collected on arrival - laid out in hallway and bundled by owner surname.

Please wear your number. It's helpful to call steward, scrimer and other competitors in the assembly area. Handlers with multiple dogs, remember to wear the correct number for each dog. We're using pre-numbered scribe sheets, however please check in with the arena host before you run and notify any change of handler from that shown on call board.

## Prizegiving

**All 3 Novice classes will be 3 split competition: Maxi - Midi - Mini/Micro with Ribbons awarded to 3<sup>rd</sup>- Starter and Senior to 5<sup>th</sup> place - Intermediate to 6<sup>th</sup> place.**

Prizegiving scheduling is in your running order sheets. Class results are posted on the display board in the hallway. So you all know when you are going to be required for prizegiving. **Make sure you're up and ready and in the arena - not still parked in the seats or walkway - or have a stand-in arranged to collect your award.**

Other Clear Round achievers announced - collect CRC's from the box in the hallway.

## Control of Dogs

Please bring your dog into the start area on a lead. Also your dog must be back on lead before leaving the finish area and going back through the assembly area. This is NZ Agility Committee safety policy and it does help avoid any potential conflicts between hyped up dogs! Remember OCTC has a no tie up policy. This means that dogs may not be tied up anywhere. If they are in a vehicle they must not be able to get their head out.

Don't let your dog urinate or foul **anywhere** inside the building - and if they do, clean up. We are guests at the Equestrian Centre and need to maintain good ongoing relationships. **Clean up after your dogs outside as well - it may look like waste-ground but we do have neighbours in the nearby houses to keep happy - don't give Agility a bad reputation.**

## Top Starter Dog and Top Dog

There will be recognition for the Top Dog in Starter competition over the weekend plus an overall Top Dog.

## Catering - NO EXCUSES FOR GOING HUNGRY!!!

Our normal high standard of catering will be available. Look out for any special messages the café folk may announce via the onscreen scroller bar. Support our excellent Cafeteria.

Finally, thank you for entering our show. OCTC hopes that you have an enjoyable weekend.

Hopefully see you all again at our AD Trial & Championship Agility Event / Championship Obedience Tests and Rally event at Forrester Park 25/26 Sep. (Schedule p68 July Dog World)

**A big thank you to the sponsors of our show.**

**Eukanuba**  
Make a Good Dog Great

**The Eukanuba Product Families**

We believe dogs evolved from carnivores and should be fed accordingly. That's why we use high-quality animal proteins, mainly chicken or lamb - not vegetables - as the main source of protein in Eukanuba dog food. It's how we believe nature intended dogs to eat. [Learn what the experts and consumers alike are saying about Eukanuba.](#) Open the menu under a product family to find the formula tailored for your dog.
