Entry, Access & Camping to/at the Grounds

Please check out the overview of our grounds below. Entry onto the grounds is through the gate immediately off the first carpark – not through the gate beside the public toilets.

There is plenty of space for camping and for off-lead exercise. For your safety, we ask you not to take your dogs into Off Limit areas. These are sites where houses were demolished and removed, and we cannot guarantee those areas are safe.

Gates Opening

Club members will be on site from 10am on Friday. While the gates will be open, we ask that you do not start to set up camp until the ring areas are clearly defined.

Rubbish

Please use the rubbish bins provided. These include Recycling Bins situated beside the clubrooms – please – only glass/plastic bottles etc. **NO** doggy poo bags.

Toilets & Showers

Toilets and showers are located in the club house. Additional public toilets near the agility entrance will be open 24h.

Harsh Handling

WDTA will not tolerate the physical or verbal abuse of dogs or harsh handling at our show. In the event that any harsh handling occurs, it will be dealt with in accordance with Agility Regulation 5.4.1.

Health & Safety

WDTA requests that all dogs are kept under control at all times.

Dogs must *not be tied up* anywhere without supervision.

All competitors attending this competition and venue do so at their own risk.

Handlers shall be aware that members of the public have been invited to watch our show but may not be used to dogs being in an exciting show environment. Notices will be posted informing members of the public of their responsibilities in the show environment.

WDTA will inform competitors at the briefing of any identified hazards particular to the venue. Should competitors identify any further hazards, please inform the Show Manager or Health and Safety Officer immediately.

All competitors and persons attending must agree to and take full responsibility for any of the following:

- Dogs in their care: No dogs to be left unattended unless secured in crates or vehicles. No dogs to be tied behind cars or tethered to stakes etc.
- Children in their care: Please keep your children safe. While your children may be used to dogs, not all dogs may be used to children.

WDTA Show Information

- Any loss or damage to any equipment owned or used by that person.

Please report any incidents, accidents or near misses to the Show Manager and be aware that WDTA has an identified Health and Safety Officer and will have first aid equipment and persons trained in first aid in attendance and will be able to arrange further medical or veterinary treatment if required for you or your dog(s).

Ring Etiquette

In the Agility Championship Show and Agility Ribbon Trial Events

- The courses will be available to walk before the class commences; once course walking has closed there will be no further opportunities to walk the course.
- In the event of one handler running multiple dogs in one class, the handler may move dogs but may not change the order in which they run. The handler must make the Call Steward aware of any changes to the running order sheet.
- Once the equipment height has been changed it will not move up or down to its previous height again, except in special cases approved by the **Ring Manager** with **Judge's consent**.
- When you have checked in with the **Call Steward**, please stay within sight to ensure you do not miss your run.
- Please do not hover around the **Call Board area** – check in – check for your 'markers' – move away!
- Your dog must be on lead when entering the Starting area – and on lead when leaving the Finishing area of the ring.
- Please secure your dog and leave the Finishing area as quickly as possible. Play and reward outside the Finishing area.
- Please ensure you **give your agility number to the Scribe** before starting your run and **acknowledge the judge** to ensure they are both ready for you.
- **Change of Handler:** make the person who is taking your number aware of the change of handler and give your **full name** to be noted on the scribe sheet.

Your dog must be ready to run as soon as the previous competitor finishes their run – but **check the judge is ready and previous dog is secure – and not doing a victory lap in the ring with its toy 😊!!**

Thank you for coming to our show and have safe travel home!
