

NDTA 2010 Taupo Camping & Day Tents

Day Tents

- Will have restricted numbers due to room within the Venue and sites will be confirmed on a 1st in 1st served basis.
- The sites will be approx 5 metres wide
- Allowing Cars on the field for the Day Tents will be confirmed after further talking with the Taupo Council as this is their number 1 sports field, but we do endeavour to allow 1 car per site.

Camping Sites

- Camping Sites are very close to the rings, within 2 minutes walking easily.
- There are plenty of room for Camping at Owen Delany Park
- You can have as many people as you like on that site this is up to you, the site fee is for the site not for the people on the site.
- There will be showers within the Stadium facilities included in the camping fee.
- Sorry no powered sites for campers.

How do book sites

- If you want a Camping / Day tent site please Dyson Beasley at dysonbeasley@ihug.co.nz with your request.
- Dyson will email you back with a reference number and bank account details for your deposit. You must quote the reference number so it can be traced on the bank statement and then confirmed as booked for that site.
- Your booking will be confirmed once payment has shown up on statement.
- As stated above all sites are based on the site not the amount of people on that site.

Prices

- All prices are for the whole weekend
- Day Tent (situated around the rings) : \$25.00 per site
- Camping Site (including Motor Homes) : \$40 per site
