# Welcome

On behalf of the NZDAC 2022 Committee, we wish to welcome all that are attending our “long time in the making” event.

A huge thanks to our committee - you are all gems, but I can't wait until my phone stops pinging with all those messages that go off in flurries in my pocket while I am teaching. It was good to know that by the time I took a look at what all the action was about the problem was usually solved or worked out. You are an amazing bunch of hard-working people.

Our venue is looking fab with lots of space to walk your dog, so safe travels and let the fun begin.

Sandra McHugh

Chairperson NZDAC 2022

## Word from the AC Chair

2012 was the beginning of a new era.

First there was the National Dog Obedience Assembly (NDOA), then there was the National Dog Training Assembly (NDTA), and then in the wee hours of Labour weekend 2012, a bigger, better, agility-only event was born ... the New Zealand Dog Agility Championships (NZDAC), hosted by Zone 1, and held in Cambridge. Fast forward 10 years and we are sitting on the doorstep of NZDAC 2022 in Mandeville, hosted by Zone 4.

I don't want to dwell on the past; we all know that we've had a couple of rough years with that damned virus, and I think it's safe to say that everyone is looking forward to this year's event. For a lot of people, the NZDAC is the one time of year you get to catch up with friends from afar, finally meet those Facebook friends you have never met in person, and even make some new friends.

The amount of organisation that goes into a national event is enormous and I do just want to acknowledge the efforts that were put in by Zone 2 over the two years during the peak of Covid. Although ultimately the event couldn't go ahead, many hours were spent on the organisation and so a big thank you to everyone who was involved in that.

The work gone into organising the NZDAC this year hasn't been any easier, but the Zone 4 Committee have worked tirelessly to bring you an event they can be proud of at an outstanding venue, and on behalf of the Agility Committee I would like to thank them for their hard work. Every year when a NZDAC is held, there is a new standard set, and I don't think this year will be any different.

I would also like to thank the sponsors – Purina ProPlan, the official sponsor of NZDAC. Having worked with Miranda, I know how much passion she has for our sport, and I know she will have done all she can to ensure the prize packages are top notch, so thank you, Miranda and her team. Not to go unmentioned are the raft of other sponsors who have donated and sponsored classes. With the current economic climate there are a lot of businesses struggling out there and sponsoring events like this can be very hard on them with no guarantee they will get any return from it – so I urge you all to please support the sponsors in any way you can, give them a shout out on social media, buy something from them big or small - every little thing helps. Without sponsorship these events would cost our sport a lot more to run or may even mean we couldn't run them at all.

We have an amazing line-up of judges again this year and it's great to see such diversity in the judges – I am sure we will see some very cool and fun courses over the weekend.

Finally, I want to thank you, the competitor – the reason this event is put together in the first place. While there are a lot of factors that determine whether an event like this is successful, one of the biggest is the number of attendees. So, thank you to all those who entered and thank you to those who are coming along just to support fellow competitors, friends and family, or just to help out.

I wish you all the best over the weekend, and most importantly, whether things go right or things go wrong, HAVE FUN WITH YOUR DOG and may the odds be ever in your favour.

Chris Richardson

# Judges Profiles

## Allan Rohde

I have been involved in dog sports for almost 30 years now, starting with the Wairarapa Dog Obedience Club and later moving to Counties Dog Training Club. It was my love for the sport that got me into judging, which I have now been doing for 23 years. There have been a number of highlights over the years. Judging at national events is always a privilege, and the few judging assignments in Australia were also highlights to my judging career, and always a good experience. However, my biggest highlight by far was judging at the IFCS World Championships in Italy a few years back. That was a once in a lifetime opportunity that I will always remember. Although I am getting older and not judging as much as I used to, I still do enjoy my judging, particularly when dogs run my courses the way I designed them to be run.

I am fortunate that my family also shares my enjoyment of dog sports, which does have the benefit that there is always someone available to run my dogs when I am judging. It also means the long drives to and from competitions are not lonely ones, although some may debate that is a benefit.

I hope my courses will provide the appropriate challenges, and that competitors find them enjoyable to run. Here's hoping you all have an enjoyable event.

## Fiona Hodgson

My involvement with agility started in 1988, and since then I have been a member of Rotorua and Upper Hutt clubs and am a Life Member of Napier Dog Training Club. Suffice to say, the sport has come a long way since then

I have been involved in all areas and in most jobs in the agility world and love seeing new people achieve personal "firsts" in the sport. I love my judging and get a thrill out of seeing the range of dogs and people in the ring at all levels.

In March 2020 I attended the GJP2 training course in Texas in the US and all it proved to me was that you never stop learning ☺

This will be my 6th NZDAC/NDTA appointment with my first being 21 years ago – I guess that means I must have come of age LOL. I'm really looking forward to catching up with everyone again after the dramas of the last two years.

## Cam List

Well, it's that time again and although we haven't had a proper NZDAC for two years I am excited to be at this one.

This year will prove to be an absolutely wonderful event, with many great handlers and dogs out there showing their skills. I can't wait to be judging you all.

Now a bit about me. I am still living in the sunshine capital of NZ (Hawkes Bay, of course!) and the three kiddies are growing up, with my eldest turning 12 earlier this year. All three of them are enjoying spending time with the dogs and have loved attending the JDT camp each year.

I have been over to Australia three times this year to judge and have enjoyed the fact that the border has opened up to be able to return. Good luck to all of you competing this weekend; I look forward to catching up with many of you, or at least watching from centre ring!

## Lloyd Pallesen

I consider it an honour to be asked to judge at our national event. I'm looking forward to having the best seat in the house and to see some of the best combinations in the country having fun at all levels.

I've been involved in agility since I ran my wife's heading dog at Link some 14 years ago – the rest, as they say, is history (Lili became my dog). I've run 600s, a 500, my wife's 380s and now have my own 320 with a real mix of breeds - heading dog, Belgian shepherd, border collies and terrier crosses.

I've been judging for five years and see it as a way to give something back to agility. I try to set courses that are flowing, with achievable handling challenges appropriate to the level. What I particularly enjoy is seeing people having fun with their best mates, and that doesn't have to be a clear round. I also enjoy taking classes at club and seeing combinations new to agility developing their partnerships.

# Judges Profiles

## Dave Cook

Firstly, thanks to the NZDAC Committee for inviting me to judge, and for all the hard work they will have put in. The venue is fantastic and I'm sure there will be a great turnout after the last two years of cancellations. I've been competing in agility since 2001, originally with two German shorthaired pointers. These days I have a family of six collies which have traversed the country with me.

I've been on the judges panel since 2007 and between that and competing I've been fortunate enough to meet so many great people/dogs along the way.

Good luck to everyone. I will sign off with the world's greatest dog joke!

Cheers,  
Dave

## Wayne Grant

It seems hard to believe that the last NZDAC was way back in 2019 and I have had the somewhat dubious honour of being contracted to judge three years in a row! As they say, "third time lucky" and I'm really looking forward to this year's event.

Being a regular competitor at Waimakariri Dog Training Club events, I was excited to hear that the NZDAC 2022 was to be held at the Mandeville Sports Club, as this is one of my favourite venues (possibly because of the on-site bar!).

My life in Agility started as a supporter for my wife, Karen, then I began helping out at club and at shows, then I eventually started running my own dogs. After some "life coaching" from my good friend, Kirstin Graves, I decided to take the plunge and become a judge.

As a judge I really enjoy watching the connection between dogs and their handlers, particularly when it's obvious they are both having fun on course.

I'd like to take this opportunity to thank the committee for all the hard work I know goes into organising NZDAC and I look forward to seeing you all in October.

## MEREDITH EVANS

## Libby Ellery

Kia ora! I'm from the little town of Feilding in the Manawatu, New Zealand. I got my first dog when I was 13. Several years (and dogs) later I began competing in obedience and agility and fell in love with dog sports. I've been judging agility approximately 30 years and have had the pleasure of judging all over NZ, once in Singapore and a few times in Australia. I'm very excited to again have the opportunity of judging some fantastic dog and handler combinations at NZDAC 2022!

## Karen de Wit

Even though it isn't my first time, judging at NZDAC is always a great honour. Thanks to the Zone Four crew for inviting me. I am a long-time judge and competitor (since 1987) and I look forward to seeing the agility newcomers (as well as those who have new dogs) in Jumpers C, Starters and Snooker C! Even if you don't go clear or get a Q, I hope you enjoy the courses and have fun with your dog.

Each ring will close five minutes before the start of the class so that the first competitors have time to get their dogs ready. Please leave the ring promptly at the end of the course walk. There will be no opportunity to walk the course after the class has started.

## JUDGES BREAKS:

Judges' breaks have not been scheduled into the running orders. Each individual judge will decide if/ when and for how long they need a break.

These will be added to the call board before the class starts.

Please check the call board to see if you are running around any breaks that may have been added.

## SCRATCHING YOUR DOG OR CHANGE OF HANDLER:

Scratching Forms and Change of Handler forms are available online at [www.dogagility.org.nz](http://www.dogagility.org.nz) in the NZDAC tab under Files and Forms.

## CONTROL OF DOGS:

Please ensure your dogs are always kept on lead unless competing or in the practice ring or exercise areas. When unattended, all dogs need to be securely contained in vehicles, trailers or crates. NO dogs are to be tied to the back of open vehicles, stakes, trailers or other items. Mandeville Sports Centre is a public place so members of the public may attend the event and we need to ensure the safety of both the public and your dogs.

You also need to ensure that your dogs have adequate ventilation and shade where they are contained. Please come prepared for this, as committee members will ask you to relocate any loose or tethered dogs.

## CLEAR ROUND CERTIFICATES:

Clear round certificates will be available for collection after the class has finished.

These will be in the box by the front entrance of the bar and bistro. Unclaimed certificates will not be posted out after the event.

## MANDEVILLE SPORTS CENTRE:

MSC is a multisport centre. Therefore, please be respectful of the other sports clubs that share the grounds and call MSC their home. You are free to walk your dogs around the grounds and open paddocks but please keep them away from any horses and we wouldn't advise walking through the Archery field if they are there. They may enjoy the new challenge of a moving target, but it may not end so well for you and your dog.

Smoking: The sports fields are Smoke Free.

Rubbish: There are rubbish bins dotted around the grounds. Please take your recycling home with you.

## TOILETS & SHOWERS:

Portable toilets will be dotted around the camping area and the competition area.

There are toilets on the back of the bar and bistro that are accessed from outdoors and open at all times.

The showers and toilets inside the building will be open from 6.30am to 8.00pm.

## Zone One

### Anna Snell & Boom - Starters

I am Anna and I have been doing agility since 2004 with all sizes and breeds of dogs, but still feel like a beginner lol. This is my second time representing Zone 1 at Starters. This time it is with my Border Collie x Springer Spaniel "Boom" who will be two at Labour weekend. Boom has been the easiest of my dogs to train with a happy go lucky temperament and an amazing ability to generalise. Boom's favourite activities outside of agility are running around with a broom and running in the forest at full voice.

We can't wait for NZDAC 2022 and hope to have a lot of fun in and out of the ring.

### Danielle Wills & Case - Novice

Hey 🐾 My name is Dannielle and this is Case. Case is 2.5 years old Border Collie breed by Jinnie at Ohutu. She is an amazing little girl both in competition and as a pet. Cases favourite pass times include stalking the sheep, cuddling with the kids, forcing my husband to play tug with our tea towels and being an "outside dog" who stole his heart and now lives inside. I am a mum of two little girls, have a full time job and also have a small dog training business. Life is busy but I love getting away on the weekends competing and having some me time 😊

This is my first time representing Zone 1 and I hope we do Z1 proud

### Kat Sutton & Shock - Intermediate

Hi, I'm Kat and I've been doing agility for almost 20 years now. That's a loooong time. I had a wee break – did some crazy things like get married, have a baby and get a boy dog. Now I'm back and Shock and I are representing Intermediate for Zone One.

Disclaimer: That's Santa in the photo not me - although I have aged considerably.

#### Shock's Bio

Show name: Magic Rain Stand Clear

Nicknames: Shocklate, Needy Weedy, Shocky Tato

Born: At a very young age

Pronouns: She/Her/Queen

Identifies as: A potato

Competing at level: Whatever I feel like on the day

Favourite activity: Whining and Cuddles

Biggest surprise of 2022: Thought I had entered the trials as non comp but ended up in the team

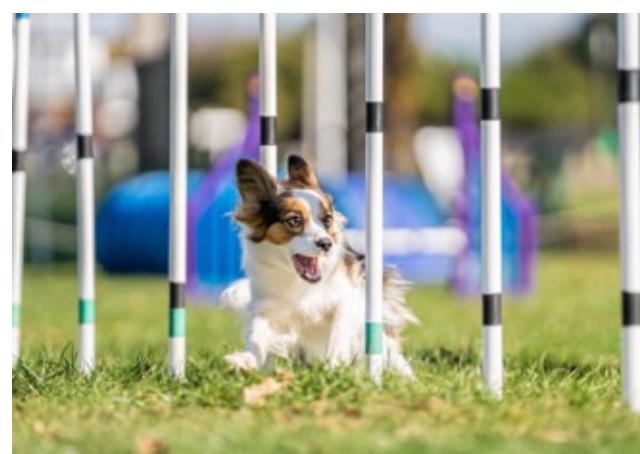

Motto: Cuddles not Challenges

Proudest moment: When my ears stuck up #genetics

Life goal: Keeping my mum humble

Favourite quote: Haters gonna hate. Potato's gonna Potate.

Go Zone 1!!

### Caitlin Frater & Enzyme - Senior

This is Enzyme, she's a Borderpap with big ears, a loud voice, and an even bigger attitude! Enzyme started competing in February this year and quickly moved into Jumpers B when she won all 6 Jumpers C runs at her first show. She's moved into Senior and Jumpers A very fast and gained wins in each of these classes in her first weekends of competing in them. She's so easy to train and super fun to run, just a little too noisy for her own good sometimes! Outside of agility, she's a lazy little dog who loves to snuggle, sleep and eat. She's the perfect pet (apart from eating things she shouldn't) with such a good off switch that flicks on the moment it is needed.

This is my third time representing Zone 1 as team dog and each time has been with a little dog. I love showing what small dogs are capable of and I'm even more excited this year to have such a young dog in the Senior spot.

## Zone Two

### Wendy Statham & Willow - Starters

Registered name: Willow

Pet Name: Willow

Breed: Border Collie

No: S251

Age: 6

Height: 515mm

Heya, I'm Willow (aka Wilbo Waggins) and my human is Wendy. About 2 years ago I came to live with my new family in Rotorua. Mum said I'd be a great sibling for her other dogs, she introduced me to swimming in the lake, canicross, and my absolute favourite thing... running after mum around the mountain bike trails and chasing the occasional wallaby. I saw my siblings playing this agility game, so Mum let me have a play too – and I love it!! Before our runs I like to bark as loudly as I can to show everyone I am ready to go. I can't wait for our holiday to the South Island, I'm living my best life and I'm ready to run!

### Dani Koningsveld & Kyra - Novice

Kia ora kotou,

My name is Dani and this is Kyra. She will be 5 come DAC weekend, and is a 50/50 Kelpie, border collie cross, from Stockdogs kennel in New Plymouth. This will be my second time representing Zone 2 as 7 years ago my full Kelpie, Dexter, was team starters dog. This will be Kyra's first ever DAC.

Kyra is not your average agility dog. She's had a pretty stop/start career due to changing heights when she hit 2 years old, covid and recently an injury. She has been a very challenging dog to train, but she has definitely taught me patience. She may not be the flashiest kid out there, but she always tries for me. Away from agility her life ambition is to seek and roll in anything and everything disgusting, and to then power down and become a couch potato.

We look forward to having a good go at the Interzone event, go zone 2!

### Dee Ockey & Ruby - Intermediate

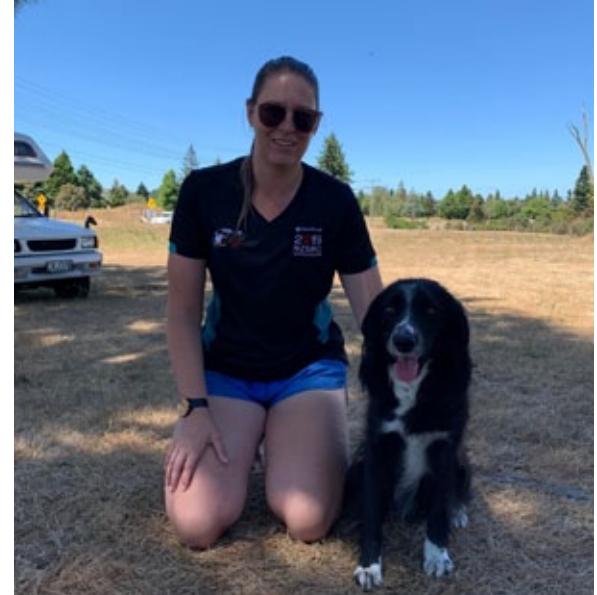

Rangeview Red Hot Ruby (Ruby) & Dee Ockey

T249 (450mm)

Ruby is a 5 year old springer spaniel x border collie and is the other half of my heart. She appeared on the Agility Facebook page after the breeder removed her from her original home, they said she was too "naughty". Ruby was the best find. She loves agility, is honest, reliable, and wants to get the job right 100% of the time (even when my handling is not there to support her).

We hail from Napier and are members of the Hawkes Bay and Napier Dog Training Clubs. Ruby and I represented Zone 2 in Novice in 2019 with great success and are looking forward to giving it a go again this year in Intermediate.

After a two year absence from NZDACS it will be so fantastic to go on another adventure and be at a nationals again!

### Paul Needham & Vogue - Senior

This is Vogue and my second time being a team dog, last time was in 2016 in Rakaia as a novice dog for Z1, 6 years later and both of us have gained a lot more experience and confidence and are this year representing zone 2 as senior dog. Vogue has been a super challenging dog to train but since we have moved house and have a lot more land for our dogs to stretch there legs on she is getting a lot faster and more confident which is ultimately challenging me to up my game to get in the right place and get the calls out early enough for her. Have to say she saves my butt on a course regularly.

Looking for to the big roadie south to represent Z2 and to catch up with all the south island agility friend and fur kids.

See you all there

Regard  
Paul

## Zone Four

### Debbie Woods & Oi - Starters

Hi De Hi

This is the first time I've tried out for Zone Teams and only my 3rd NZDAC.

Oi (aka Ning Nong) is a 5yr old Kelpie x your guess is as good as mine, pound puppy come super star. From being found as a puppy starving in the riverbed to the best friend ever. I'm stoked my wee Ning Nong has made the Zone 4 team for Starters.

Oi is one of 5 fur kids. She loves agility, Obedience, she's a certified Cuddle dog, loves to be upside down and eat toilet rolls. She is super soft natured, takes her time and is very careful not to make a mistake unless her crazy side comes out then watch out.

We are both looking forward to doing our best for the team

Go zone 4

### Nicki Buist & Siri - Novice

Siri is a four-year-old border collie and is a busy young lady, always on the go, loves blitting around at full speed on our lifestyle block and joining us on trail runs. She has a thirst for learning new things and likes to be challenged, so much that when her breeder was training the litter she found that Siri was a fast learner, hence being named 'Siri' after the iphone app, because she already knows everything. Initially my husband was going to do agility with Siri and I was going to do obedience. However, the plan changed when she was super naughty for my husband and he decided that agility wasn't for him, LOL. So, I took over and slowly we have been fine tuning our etiquette in the ring and she is making great progress. This will be our second year competing in agility for our local club Selwyn and a new experience competing at a NZ Champs. Being in the zone 4 team is a huge privilege and we will try our best to do the zone proud. We look forward to meeting other competitors and learning as much as we can from the experience. Go zone 4!

### Candace Bobier & Tabasco - Intermediate

Hi! We are team Tabasco ADXA Silver JAX GD CGCG. We've been doing agility for a few years and this was our first time trailing for a zone team - Yahoo! We are stoked to be representing the intermediate spot on our incredible zone 4 team.

Tabasco is our first and only dog. When he was a puppy he would dust bathe with our orpington hens and nowadays they have a more traditional "sibling" relationship; they peck him when he's being annoying and he herds them when they are, lol. Tabasco is really really ridiculously good looking (or so we've heard, aka Ben Stiller, Zoolander) and he's done a bit of modelling, but he's most famous outside of agility for being an UltraDog! We've done a few official trail marathons including our greatest achievement, first official canine entrant and finisher medal recipient of the Great Naseby Water Race 50km (first place canine, of course, with his hanger on, me). This year we've been doing some shorter 10km sprint training lol and I think its paid off - at least for my lungs on those 200+ meter courses!

We also enjoy tramping, flyagility and have racked up a number of trick dog titles through a series of fully choreographed and costumed short films - ha ha. Any excuse to dress up and show our creative side - we are there! And you'll probably see us dancing ring side during our warm ups, finding my happy place. Bring on the party NZDAC! We can't wait.

### Jess Tansey & Risk - Senior

Well another year, another Bio! If you don't count the years that were unfortunately missed! I've been privileged enough to be a part of a zone team for the past 3 years! Started with zone 4, then moved to the JDT and now stoked to be back representing zone 4 as the senior pair. The only difference is this time it's not with my dog Rapid, it's with Risk! I have been fortunate enough to be asked to run Jess Pallister-Coward's dogs for most of this year, including NZDAC. Risk and I have come a long way in our competing journey. Starting out with some average results, to now being one of the most consistent teams out there! I can always count on Risk to follow my lead and do things correctly! So if it comes down to only needing a clear round.... Watch out others zones, we will be coming for that win! Thank you to Jess for the amazing training she's done with all her dogs! I'm super excited to run against some awesome teams and bring back that trophy to zone 4 like we did in 2017! Goodluck everyone! If it comes down to it go Zone 9 :)

## Zone Five

### Sallie Remon & Vogue - Starters

Hi, I'm Vogue, I'm an extremely intelligent Belgian Malinois who is struggling to train my not quite so intelligent handler, Sallie, how to run me around an agility course. Apparently she's been doing this for a long time but mainly with Border Collies who have way lower intelligence than I do, so Sallie is still a work in progress.

Apparently I'm the Zone 5 Starters Dog in the team (not sure what that actually means except that we did a lot of courses over a weekend recently and Sallie seemed pretty pleased with me at the end of it!) I'd like to say Good Luck to my fellow team members, Ember, Terah and Risk and hope that their handlers are better trained than mine. I promise to keep working on Sallie so that she can do her best for the team running with me around the interzone course at DAC.

### Richard Powley & Ember - Novice

Hi, I am Richard and this is my lovely Australian Kelpie Ember, she is the 3rd of my dogs to have had the privilege of making the Zone 5 team. When we rehomed Ember at 6 months old she was an extremely overweight, loud, obnoxious dog... with a lot of enthusiasm and no manners! Three years on she is in top condition and is really starting to get a kick out of Agility. The team's event is always entertaining and I enjoy the atmosphere. I am very proud of Ember and excited to be part of the awesome Zone 5 team this year.

### Belinda Culling & Jim - Intermediate

Hi! I'm Belinda and this is my boy Jim. He's a nine year old Heading Dog/Fox Terrier who likes to chase balls and do typical terrier things, like killing possums and chasing cats. He's actually a really good hunter and I've had a couple of comments from hunters who think he'd make a good pig dog.

Jim came from a farm south of Dunedin, when the farmer realized that their terrier had been playing with the heading dog. So he was six months when he came to me and changed his career outlook. He took to agility very nicely earning four ribbons at his first show (unsplit!) and he became my first champion. He represented Zone 5 in Novice back in 2015 at the beginning of his career, and now in Intermediate, nearing the end of his time playing agility. He's been a fantastic wee partner over the years and hopefully for good while longer!

We are looking forward to finally attending another NZDAC and catching up with everyone. This would be our 10th DAC had covid not blown the last two years, so we are very excited to be attending with the bonus of playing in the Zone Team. I hope we can pull off some good work out there but you can guarantee that we will be having fun no matter what happens! Good luck to everyone!

### Reece Smith & Risk - Senior

I'm proud to introduce Risk again this year, proudly representing Zone 5 as the Senior dog, and representing Z5 for the 3rd NZDAC in a row!

We're both a fair bit older but I don't know about wiser! But this year Risk has even more letters before her name

Risk is still the most stubborn dog to run and train, but I wouldn't have it any other way. She's great fun to run every weekend, and we're both super excited after missing a couple of years to go against all the other zones at NZDAC 2022.

Go ZONE 5!

## Junior Dog Training

### Paige Catlin-Maybury & Tyme - Starters

I am so excited to represent JDT for the first time at my first South Island NZDAC. I'm Paige, and my dog, Tyme, are the starters representatives for this year. Tyme is the first dog I have trained myself, but I've been running and learning about training for ages. I started with a white, fluffy, yappy dog named Luke. This little guy sparked my love for agility and hanging out with doggos. I ran Luke for 2 years, up to when he retired. He taught me tons about training and how to be patient. After Luke's retirement, I started running a VERY fast border collie named Pip (Thanks to her owner, Nicola). This was an adjustment for sure! These days, I run Tyme at agility shows around the North Island and have been enjoying every minute of it. She is just like me, and I reckon we are a pretty good team.

Tyme is 3 years old and a purebred border collie. She loves rolling in mud and possum poo (which is disgusting). She plays with her half brother Pilot all day and gets run around with our pomchi, Bo, sometimes too. Tyme loves to run and train and is so willing to work hard for me. I can't lie, she is pretty cute and I'm so proud of her. I am so excited to compete at NZDAC and hopefully help bring the JDT team to victory!

### Alexus-Anne Richardson & Bazil - Novice

My name is Alexus Richardson and I am 16 years old. My dog's name is Bazil and he is a three-year-old border collie. I got Bazil off a farm on the South Island just over a year ago when he was 20 months old, (who knew nothing about agility), and now we are in Nov/Int and Jumpers A! I have been doing agility for three years. I started with old German Shepherd, Snow, just for fun and then moved on to borrowed dogs. I ran borrowed dogs at club and at shows for a little over a year before I got Bazil.

This is my first proper DAC and I am super excited! We are in Zone 6 (JDT team) and the Novice dog for the team. I'm super happy to have made the JDT team and can't wait to compete at DAC! We will do our best and have fun, can't wait to see everyone there!

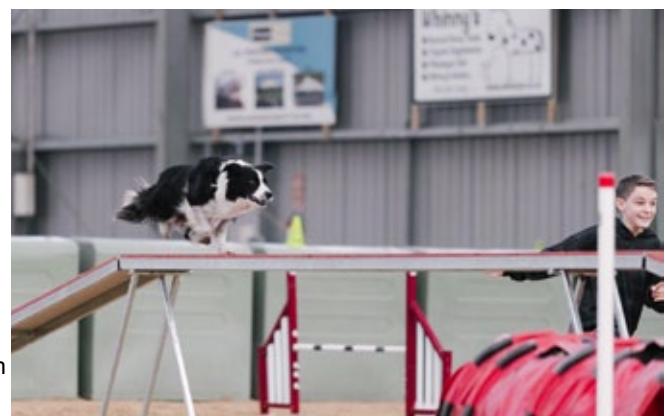

### Patrick Conolly & Mouse - Intermediate

Patrick and Mouse are excited to be representing JDT at NZDAC this year. Patrick is 14 and Mouse is 10. Mouse belongs to Dad, Tim, but Patrick has been running her a lot over the past few years. While Mouse is an Agility Champion and Jumpers Grand Champion, she is more than capable of having an abomination of a round, especially when there are weaves and seesaws involved! Mouse likes to run really fast and just occasionally she gets a clear round!

Patrick attends Christchurch Boys High. He lives in Canterbury on a small lifestyle block with 4 dogs (2 of whom he also runs in agility) 2 cats, and 1 brother. He's a member of Selwyn Dog Training Club and can be a useful club member, as he can lead run, scribe, and do the results table.

He likes eating excessive amounts of chocolate, sleeping in, and doing stuff with technology, like 3D printing, computer games, and VR.

They are sure to have fun at NZDAC and will be hoping for a non-elimination round in the Teams event!

### Jess Wilkinson & Coco - Senior

I'm Jess, I'm thirteen years old and I've been doing agility for four years. I started out just doing non-competitive runs at ribbon trials with my brother's dog, Coco. I belong to the Queenstown Dog Agility Club. These days I run two dogs, Coco (who I eventually stole from my brother) and Zoom. They compete at Intermediate, Senior and Jumpers A. I trained Zoom all by myself, he has only been competing a year. Sometimes I get lucky and get to compete with other dogs for other people as well. Currently I am starting training a new border collie puppy.

Coco is an eight-year-old crossbred. She started agility five years ago with my brother Jacob. This is her second time on the JDT team – she was the novice dog for the team at the last DAC with Jacob. I took over running her after he got too busy with study and music. Coco got a clear at her very first show in Southland five years ago and has proved a very consistent dog ever since. My first official run with her was in a Jumpers B two years ago where I got a clear round. Coco is a really nice dog even though she barks a lot! And it's a horrible bark (sorry, she just won't shut up). We have two other dogs but she is the princess of the house and gets to sleep on the beds or on the couch. I love her very much, she is a great dog.
