Welcome Messages

Welcome to NZDAC 2023 Morrinsville Sarah Hayton, Chair NZDAC Committee

(Photo credit: K Mountain Pics)

Welcome to the 2023 NZ Dog Agility Championships, proudly hosted by Zone 1! We are thrilled to have you here at the Morrinsville Recreation Ground, nestled in the heart of Morrinsville. As you prepare to compete, I can imagine the mix of excitement and nerves.

I have every confidence that both you and your furry companions will thoroughly enjoy this venue. The Morrinsville Recreation Ground offers ample space, even with its six competition rings. I kindly request that we treat this venue with the utmost respect, as it may become a preferred location for future events.

An event of this magnitude is the result of months of coordinated effort, and we are immensely grateful for the incredible support received in organizing this event. Our foremost gratitude goes to our premier sponsor, Purina Pro Plan, whose fantastic product is sure to be a hit with your dogs.

Take a moment to peruse our catalogue and acknowledge the numerous sponsors who made this event possible. Without the generosity of many individuals, clubs, agencies, and businesses, an event of this scale would not be feasible. Your support is genuinely appreciated, and we hope you will consider returning the favour by supporting these groups in return. Each competition ring has been generously sponsored by different companies, for which we are incredibly grateful.

To our dedicated judges and volunteers, I want to express my gratitude in advance. We have assembled an exceptional team of judges ready to present challenging courses for you. They will stand strong, regardless of the weather conditions, so please extend your respect and kindness to them. I'd also like to extend massive thanks to the numerous individuals who have contributed to making this event a reality. Your hard work does not go unnoticed, and Zone 1 is fortunate to have such a wealth of talent and experience to draw upon, combined with the eagerness to roll up our sleeves and get the job done.

For my committee and myself, this weekend represents the culmination of 18 months of dedicated effort. The DAC has evolved over the years from a fun, extended agility weekend into a significant event. Such endeavours do not simply materialise; they demand an enormous amount of dedication and hard work. I want to extend my heartfelt thanks to my incredible committee members – Ceri Tarry, Lara Tompsett, Diana Gausden, Caitlin Frater, Natalie McDonald, Natalie Greaves, Heather Warren, Kim Edwards, Jenni Bramley, Matilda van Rijnberk, Helen McGrinder, Pascalene Houseman, Thelma Martin – and individuals on the sidelines, Kelly Daniel and Joanne Dale, and a special thank you to Scott Gausden for building the additional e-scribe units and the endless hours he has put into the programming. They have worked tirelessly to provide an outstanding event for you. Please feel free to show your appreciation by letting them know..

Welcome from Steven Thompson, Director-Secretary, Dogs New Zealand

Dear NZDAC Participants

With over 5,000 entries (a tribute to both the organising committee and the Agility community) it is clear that the sport of Dog Agility has recovered from the forced hiatuses of the COVID years and is in rude health. It is also clear from having participated in the recent Agility Club Conference that Agility as a sports community within the Dogs NZ umbrella, is at the forefront of many initiatives that help us retain the “social license” and community support that we need to keep our dog sports alive and prosperous.

This willingness to experiment and try new initiatives at both the club and national committee level is a strength of Agility and an inspiration to the rest of the Dogs NZ community. I know that both Brian Harris and I left the Club Conference, excited about trying Hoopers. With two bad knees and a cross-bred toy dog that is just completing CGC training, it is just the dog sport for Stella and I.

So perhaps in the near future I will be joining you all as an active participant. Until then I wish you all the best for a weekend of winning titles and ribbons. But above all have FUN.

Steven Thompson
Director Secretary

A Bit of History

Morrinsville is one of three towns, along with Te Aroha and Matamata, that serves one of New Zealand's most prosperous dairy farming areas.

Dairy processing has been a notable industry in Morrinsville, most notably through the Morrinsville Dairy Company since 1922. The dairy company retained the Scottish link through prominently using the name Lockerbie. Today, after a series of mergers, the dairy factory is now operated by the Fonterra Dairy Co-operative. The factory processes 1.2 million litres of milk per day during the peak of the milk production season, producing milk powders, cream, butter and canned butter for tropical countries where refrigeration is not always available.

During the late 1920s a company was formed to develop the flax industry on the extensive low-lying areas west of Morrinsville. Several thousand acres were acquired for the planting and milling of New Zealand flax (*Phormium tenax*), but prevailing economic conditions forced the early abandonment of the project. Most of this land has reverted to dairy farming or fat-lamb production, and the original English grasses used by earlier settlers have been replaced with higher producing Italian ryegrass and nitrogen-fixing white clover. During the town's formative years the area also contained a number of commercial sawmills, most of which closed by the 1930s as land was cleared for farming.

Foreword by Paul Taylor, DNZ Agility Committee Chair

Welcome to Morrinsville!! It is great that NZDAC has finally made its return to the North Island with 2018 being the last time. Thankfully the events of COVID have finally settled down and hopefully we can resume our regular rotation through the zones for hosting rights.

A very big shout out to Sarah Hayton and her wonderful committee representing Zone 1, who have worked hard to get the event off the ground - they have a lot to be proud of.

This year's event sees the first appearance of 5-way splits in any NZ competition with Novice, Intermediate and Senior all falling into this category. No wonder they have twelve great judges to spread the workload, including the return of an overseas judge - welcome to New Zealand, Darren.

With 5024 entries involving 623 dogs it almost matches the 5227 entries that participated in the 2017 Kihikihi Zone 1 NZDAC, which still holds the record as the largest ever NZDAC.

As always, the event is open to anyone who wishes to enter the standard classes, as well as supporting those who have been selected to represent their zones in the interzone teams' competition.

NZDAC is a must do for many competitors as they get to compete against all the names that they read about in the results, as well as enjoying being amongst a larger group of like-minded people. It's always good to renew friendships and create new ones.

No event can happen without sponsors, so I would like to thank our primary sponsor, PURINA, for the support they so generously provide to NZDAC.

Finally, I want to thank all the competitors for attending the NZDAC, competing in the spirit of competition, enjoying your dogs regardless of the result, and leaving with some heartfelt memories of a great event.

Good luck to everyone and I look forward to seeing you there.

The Cows

Fibreglass cows have been grazing the streets of Morrinsville since 2015 and total 60 in all. These have been brought about by the Herd of Cows project.

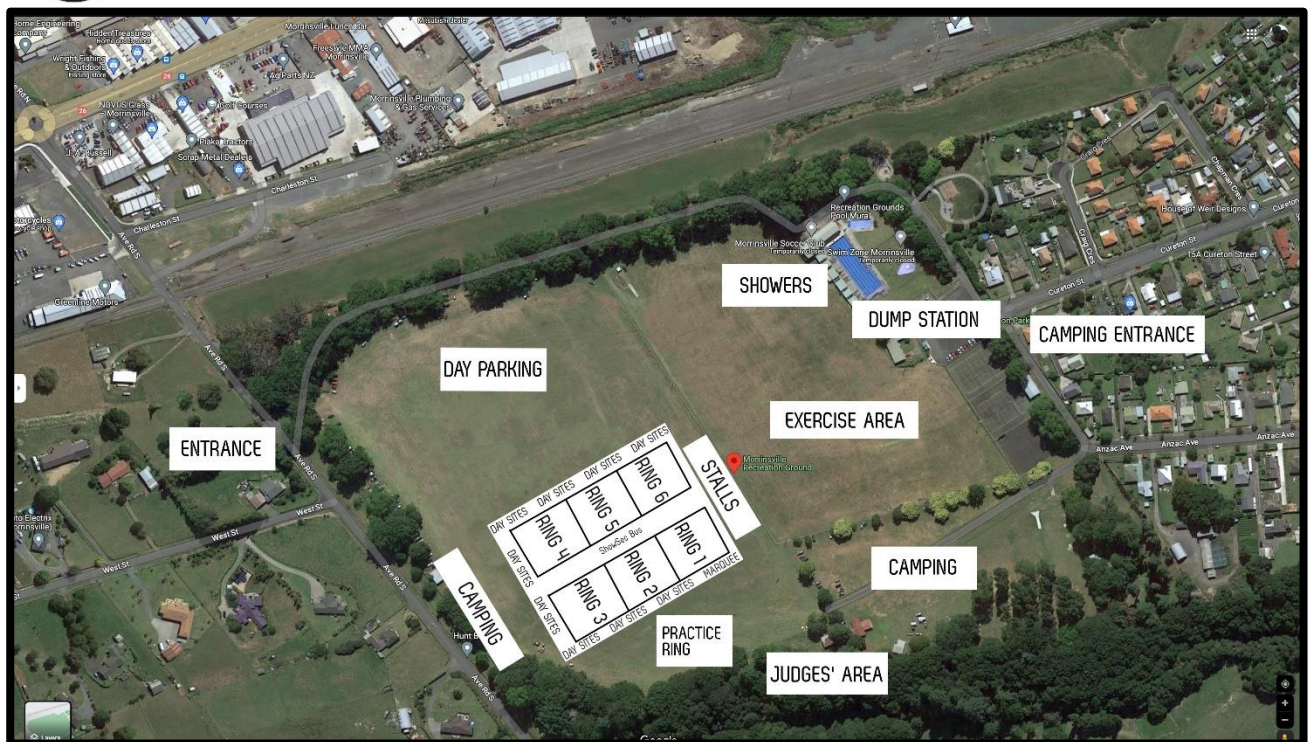

The biggest is Mabel, the MegaCow, who towers 6.5m high on Thames Street.

Find them all on this map:

Dog Safety

We remind all owners and handlers that they are responsible to control their dogs at all times and that dogs must not be tied up and left unattended. All dogs should be on lead unless competing or warming up and should be contained within vehicles or crates when not attended.

Parking

For those who do not have a day tent and are not camping, day parking will be entered off Avenue Road South. The area will be behind the access away behind the day sites on the north side of the grounds (Rings 4-6).

Day Tents

Sites are all 3m wide. Please stay within your allocated area and be considerate of others.

When driving from the camping area to the day tent sites, exit the camping area the same way you came in and enter the competition area via the Avenue Road South entrance. When walking, there is direct access from the camping area to the competition area.

Camping

Gates open at 2pm on Thursday. Access is via Cureton Street only (unless you have been advised otherwise) and will be available between 2pm-7pm on Thursday, and after 8am on Friday. If you need access outside of these hours please arrange for someone to know where your site is, collect your vehicle permit and camper ID.

Do not enter Anzac Avenue - there is no turnaround area and residents' vehicles are parked on both sides of the road.

Generators

To be considerate to others, please restrict generator use between 8am and 8pm and no longer than two hours at a time.

Alcohol

The grounds are alcohol free. Please restrict any drinking to your caravan, motorhome or tent, or the cricket club rooms. Any complaints from the local neighbours will see people removed from the grounds.

Rubbish

There will be four wheelie recycle bins and lots of general waste wheelie bins in groups around the grounds. If bins become full, please find an alternative one and let Show Management know. Please be Tidy Kiwis!

Showers

Opening times for the showers are:
Friday - 6am-8am, 5pm-8pm
Saturday - 6am-8am, 5pm-8pm
Sunday - 6am -8am, 5pm-8pm
Monday - 6am-8am.

Toilets

There will be portaloos in the camping area and others throughout the site - they will be refreshed daily. There are some onsite toilets also.

Kitchen

There is a very basic kitchen available to tenters only. Feel free to bring a kettle to boil water.

Water

All tap water on the grounds is potable, however there is a specific point for filling your camper water tanks. This will be marked and you will see it on your way to the camping area from Cureton Street.

Security & Safety

We have carried out a lot of advertising about this event in the Waikato region. In view of that we may be lucky enough to have some members of the public arriving to see what our great sport is all about. Do remember to be security conscious with your vehicles, camp sites and equipment. Better to be safe than sorry.

As a result of the perceived public interest, all campers will be issued with wristbands to clearly identify who should and shouldn't be within the camping area. Please wear these all weekend.

Equally, all vehicles in the camping area will be issued with a camping pass. Please display this in your windscreen or other easily visible location.

The volunteer Morrinsville Community Patrol will be wandering around the grounds during the day - be kind if they question you and show your wristbands if they ask for them - they are there to look after your things!

We ask all of you to take personal responsibility for any fire risk. All self-contained vehicles should have at least one working fire extinguisher. The onsite water pressure is unlikely to be of significant assistance therefore we would also ask all tenters to ensure they bring a fire extinguisher.

Dog Exercise Areas

The off lead area for our event is the cricket grounds, but the pitch will be roped off. All other areas are on leash at all times. Please be aware that the domain is a public dog exercise area and members of the public will be using it. Please pick up after your dogs and use the bins provided. Dogs are not permitted in the town, unless visiting the vets.

Duty Vets

Vet Clinic Morrinsville

www.vetclinicmorrinsville.co.nz

68 Moorhouse Street, Morrinsville 3300

Opening Hours - Monday-Friday 8am-5pm, Saturday 10am-12pm

After hours and emergency: 07 889 6738

First Aid

We have hired an AED and St. John's first aid kit. This will be located at the ShowSec bus in the middle of the rings. Fingers crossed we don't need to use it.

Hospital

Anglesea A&E clinic Hamilton <https://www.angleseaclinic.org.nz/>

Waikato Hospital A & E department, Hamilton

Goodie/Registration Bags

These can be collected from The Marquee on Thursday 2-4pm, Friday 8-11am and Saturday 8-10am. If you miss any of these times, then Helen McGrinder or Eunice Chan are the people to find and they will organise it for you. If your Morrinsville sticker has a dot on the back, please present that to The Marquee for a spot prize.

Selling

All stalls selling food, coffee, products and services will be sited between the rings and the cricket/dog exercise area. All stalls must be officially approved. No selling is permitted in any other area of the event.

Practice Ring

There will be a practice ring for your use. Please do not practice in any of the other rings.

Course Walking

There will be no course walking after the event has started. Please be respectful of other walkers. We understand that course walking can be stressful at times so we all need to work together. The rings will be cleared five minutes before judging commences - please be prompt to exit the ring when asked to leave.

Ring Procedures

- In every event, at the end of each height, that class will close. The only exceptions are judges.
- If you are unable to make your assigned position or are clashing in another ring, please let the call board assistant know. Your position will be circled and when you return, you will be slotted into the next available space.
- Once past the call board, you will be asked for your dog's number by the Queue Steward as you enter the ring entryway. Please confirm your name and that of your dog with them. If you have a change of handler from that advertised in the catalogue, this is your opportunity to change that.
- Please then move through the three holding pens, giving space to the dog in front of you.
- Be ready to enter the ring as the previous dog finishes, but before you set off - confirm your permanent number to the scribe and acknowledge the judge's indication that they are ready.

Ring Managers

Ring 1 – Donna Begovich & Ceri Tarry

Ring 2 – Bevan Dale & Megan Lansdaal

Ring 3 – Anna Snell & Natalie Greaves

Ring 4 – Helen West & Richard Shepherd

Ring 5 – Kim Thomas & Catherine Brennan

Ring 6 – Jacqs Kirkland Purves & Tanita Bruce

Also, please note, due to the huge numbers of entries and the short amount of time available we need your help to keep our event moving:

- if you reach Maximum Course Time, you will be asked to leave the ring immediately via the exit area.
- if you are unfortunate enough to be disqualified you will be allowed to finish the course but please remember, no training.

Changes of Handler

Changes of handler will be taken ringside, as you enter the ring. Please see Ring Procedures above.

Results

All results are available online at www.nzdac.org.nz immediately after each dog's run. Daily class results will be printed out and posted in The Marquee at the conclusion of each class.

Live Video Feed

Can't be at the event? Want friends and family to see what it's all about? We are planning to have the webcam running during the day and it can be viewed online at www.nzdac.org.nz.

Free WiFi

WiFi is available for competitors - just look for the "ShowSec FREE WiFi" hotspot on your devices. No password required, though you may need to be in close proximity to the ShowSec bus.

Scratchings and Refunds

If you wish to scratch your dog on the day or just before your events, please use the Request Withdrawal link on the My Entries page of ShowSec. This will save our Call Stewards from calling for a dog that's not intending to compete in that class. You can use this to select certain classes if you know you won't be there.

All refund requests should be completed online before the Tuesday evening after the show at www.showsec.co.nz. Log in, go to the My Entries page and select the Request Withdrawal link. You will be asked the reasons for your request and will be able to attach any supporting documentation.

Prize Giving

Prize giving will be held at The Marquee.

To enable things to run smoothly and for everyone to get their well-deserved moment in the limelight, placegetters will need to do the following:

- When the class is called it will always be in the same order – Starters, Novice, Intermediate, Senior followed by Jumpers C, B and then A. Heights will always be in the same order – 600, 500, 380, 320 (or 300) or Small then 240.
- When Starters prize giving is about to begin we need all Starters placegetters to get to the prize giving "entry" area.
- When your name is called, please approach the Judge and sponsor first who will hand you your winnings, and then stand behind the correct number ready for photographs.
- When the final placegetter is in line, photographs will be taken. Please hold out your ribbons left hand down, right hand up for the photo and then you may leave via the "exit" area.
- When the Smalls or 380/320 and 240 heights are being called, we ask that the next class winners – e.g Novice, will begin to assemble at the "Entry" area.

All winners will need to present their ribbon to collect their Purina product from the Prize area. This area will be open from the start of prize giving until half an hour after prize giving is finished.

Unplaced CRCs

Unplaced clear round certificates can be collected from the ShowSec bus. Certificates can be mailed to you after the event upon presentation of an A5 sized, stamped, addressed envelope - write your dog numbers on the back to ensure they're all rounded up.

Disputes Committee

Any disputes (we hope there will be none!) will be addressed by Sarah Hayton, Caitlin Frater, Lara Tompsett and Ceri Tarry.

Evening Meal

Those that have requested the Top Pub's offer of \$35 entrée, burger and chips in their registration should make their way to the venue via Avenue Road South, where the hosts are expecting you.

NZDAC MORRINSVILLE 2023 PRESENTS:

Carl Ranford

It's that time of the year.... NZDAC, where everyone comes together to share the love of dogs and dog agility, a great chance to catch up with friends from across the country all gathered over a large green field for some friendly competition over 4 days.

NZDAC is truly a great place and exciting atmosphere to share in the successes of fellow agiliteers, from a clear round to a challenge, a win at the finals or a team taking home the trophy. The only place you can nationally showcase the best of the best.

My passion for dogs came at a young age, from as long as I can remember I wanted a dog, my wish was well, sort of granted at the age of 7 when we rescued a older golden lab. Our first experiences of having a dog in the family were very mixed, Bob was a friendly dog but came with his fair share of issues, I don't think we were prepared for such a mischievous run-away dog.

Fast forward to 2023 and I have now been involved with dog agility for over 20 years. Initially I joined and competed in obedience in 1995 which quickly led me to agility, where I fell in love with the fast-paced sport. I left in 2002 after my Foxy died, and came back in 2007, but I never stopped backyard agility training with my border.

I joined the agility judges panel in 2009 and I have since travelled much of the country judging. I have judged in Australia several times and compete with my border collies mostly throughout the North Island. I have been president of Hawera Dog Training and Chair of the Dog Agility Committee & 2018 NZDAC. I currently reside on the Agility Judges Subcommittee Panel.

Darren JOHANSON

I've been involved in dog sports for about 14 years, initially in obedience then after a couple of months (when I got bored), I moved onto flyball and agility. Prior to that I lived in North America for 8 years where I was on ski patrol and trained an avalanche rescue dog.

I began competing in agility with a labrador and we achieved Agility Champion together. I'm currently competing with 3 kelpies from 18 months to 8 years old, one in each level.

I became interested in judging agility when I saw the kind of courses the kiwis were designing at our nationals. I'm honoured to now be given the opportunity to judge at your National Agility Competition at Morrinsville.

My aim is to design courses that are open and fast but have good challenges for each level. I like the structure of agility in New Zealand that encourages a competitive aspect and I'm looking forward to seeing how the kiwi dogs and handlers take on my courses.

I'm looking forward to seeing some awesome runs and wish all competitors the best of luck

My moto 'Drive it like you stole it'

NZDAC MORRINSVILLE 2023 PRESENTS:

Graeme Jefferies

It started with his daughters, young and bright
A Border Collie was gifted, a ray of light
Katrina's incessant nagging led them to training
Alice too was soon hooked, the thrill was sustaining.

From club-level classes to high-performance breeding
Graeme's involvement in the sport keeps on exceeding
Competing is a joy, and instructing was a bliss
Sharing his expertise was not something he'd miss.

To give back to the sport, he started to judge
For seven years now, his expertise wouldn't budge
From many clubs in New Zealand to the national event
An honour it is, a privilege well-spent.

So, if you see Graeme with his Border Collies so bright
You'll witness a love that's not out of sight
For agility is not just a game, it's a passion so true
You're not judging him, but he is judging you.

Janette Davis

NZDAC
2023

NZDAC 2023 is nearly here. Thanks to Zone1 for the privilege to judge for the first time at our national event. I have been involved in agility since 2007 and I began judging in 2012. Looking forward to seeing new and experienced combinations taking on the courses. Most importantly have fun with your dog.

NZDAC 2023
MORRINSVILLE PRESENTS

I would like to thank the committee for asking me to judge at NZDAC 2023. It is a great privilege to be asked and I am looking forward to setting courses designed with challenges that dogs and handlers can enjoy.

I moved from the Kaipara Harbour to a hill country sheep farm in Wanganui 6 years ago with my partner Cyril and youngest daughter Erin. Even though I am very busy, it has given me the opportunity to do something I had wanted to do and that was to judge agility.

Dogs have always been part of my life, firstly training working dogs and later - discovering agility, going on to train my working dogs to do agility. I have enjoyed the different training involved and running agility with my dogs over the last 16 years. Most of that time was spent as part of Kaipara DTC. I have dabbled in other dog sports - sheepdog trials, obedience, Rally-O and even got talked into performing 1 dog dance but agility is the one that me and my dogs enjoy most.

Good luck to everyone and looking forward to seeing you all there!!!

NZDAC MORRINSVILLE 2023 PRESENTS:

Jess Tansey

I am very excited to be judging my first-ever NZDAC. At the age of 23 I would be one of the youngest NZDAC judges ever. Something I feel quite proud of. Junior Dog Training has always been a big part of my life. My highlight was NZDAC 2018, when the JDT zone team were able to compete for the first time, a project I had a lot to do with. Winning that year made it all the more amazing.

I have been running in agility since I could walk and talk. I have competed with all types of dogs, from the classic slow and steady ones to the now-current crazy trio. Rapid (Border Collie x Husky) is my breakthrough dog. We have achieved all my lifetime agility goals in her career. Our highlights were being awarded top dog at her first NZDAC and then winning Agility Champ Of Champs at the most recent one. This latest trophy was extra special to me as it is my Dad's trophy, from his most successful dog Cassie.

I'm looking forward to setting open-flowing courses, designed to let the dogs get up to full speed and make handlers run :) NZDAC is the biggest event on the agility calendar. No matter what your goals are in October. Whether it is to win a final or just complete a lead-out, I hope you achieve them and enjoy your time at NZDAC 2023!

Justine Dale

**NZDAC
2023
PRESENTS**

Firstly, thank you to the NZDAC committee 2023 for inviting me here to join you on this side of the event.

As a friend pointed out, writing this profile is probably harder than designing my courses. Yep. Turns out she's probably right. Especially since I've been given no word count. And here I sit thinking, what do you want to know? I've read lots of other judges profiles in past NZDAC catalogues looking for inspiration and realised this is probably the first time I've read them. So, you might be the only person reading this. Thanks. Come and chat if you want to know more.

Agility has given a lot to me over the years I have been competing. I've gotten to know some amazing people and have even travelled overseas with some of them (who are still friends even after the experience).

I have a pattern with the dogs I own; Sheltie, Border Collie, Sheltie, Border Collie, Sheltie (cross Jack Russel) and Border Collie. So, my agility achievement is running a dog in each height.

After competing in agility for a few years friends encouraged me to try judging. Which, as many people I have heard recently have suggested, is one of the best seats to watch from. I love seeing dogs smile as they run past me knowing where they are off to next (this is not always to your plan). Our sport is about having fun and giving challenges a go. Hopefully you find something fun in the courses I set for the weekend. Remember to smile as you come into the ring and I'll smile back. Hopefully then I won't have to wave at you.

NZDAC MORRINSVILLE 2023

Joanne Rennell

I am deeply honoured to be asked to judge at this year's NZDAC - I do so enjoy having the best seat in the house for the most amazing runs at our national event. Thanks to the hard working committee for pulling this event together

For those that don't know me -I come from the deep dark south of the South Island (Invercargill) and I have been involved with Agility for almost 20 years as a competitor, club trainer, judge, a member of the Agility Committee and currently a member of Judges Sub Committee.

I have had small dogs for all of this time - more specifically terriers - people keep telling me I am nuts but I keep getting them. I managed to make 2 of them up to Agility Champions so far. I have been lucky to run some big dogs on a one off basis and I like to think this has helped with my course design.

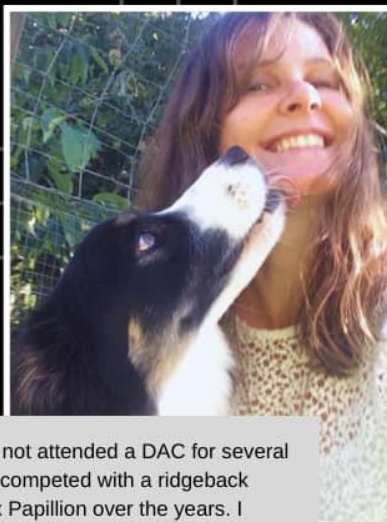

My goals for this years NZDAC is to have some happy competitors, some happy dogs, some amazing runs and catch up with some great people who I haven't seen for a while.

Good luck to every one competing over the long weekend - may the weather be great, the poles stay up and the contacts not be lava.

Most importantly - have fun with your dogs.

NZDAC MORRINSVILLE 2023 PRESENTS:

Keri Neilson

Hi everyone. I am stoked to be back judging NZDAC this year having not attended a DAC for several years now. I have been involved in agility for around 20 years having competed with a ridgeback cross, a border terrier, a heading dog, three border collies and a BC x Papillion over the years. I know how special competing at our national event is and its awesome to be part of that through judging.

I first became a judge around 2007 and have seen a lot of changes in equipment, course design and dog height classes over the years! I love setting fast and flowing courses with subtle challenges and watching dogs opening up and really enjoying themselves. I very much dislike seeing handlers getting angry with their dogs on a course. So, if you feel frustrated at an event – just remember that you taught your dog everything they know!

It is a privilege to be invited to judge at the 2023 NZDAC in my home region of the Waikato and I would like to thank the Zone 1 organising committee for the opportunity. Can't wait to see you all out there having fun with your dogs and being part of some amazing memories.

A TALE OF MARTIN & MARTINA PRESENTED BY NZDAC MORRINSVILLE 2023:

THIS IS MARTIN, MARTIN IS AN AGILITY JUDGE AND HE LOVES JUDGING AGILITY

THIS IS MARTIN'S ALTERED EGO MARTINA, SHE LOVES JUDGING FUNNY NOVELTY EVENTS

THIS IS THE REAL MARTIN IN REAL LIFE JUDGING AGILITY, THE WAVE ISN'T SO POPULAR THOUGH 😊

THIS IS MARTINA IN REAL LIFE HAVING FUN JUDGING FUNNY NOVELTY EVENTS, THIS YOUNG LADY HAD JUST SPUN AROUND HIS POLE AND COULDN'T STAND UP AFTER THAT, HE WASN'T SURPRISED 😊

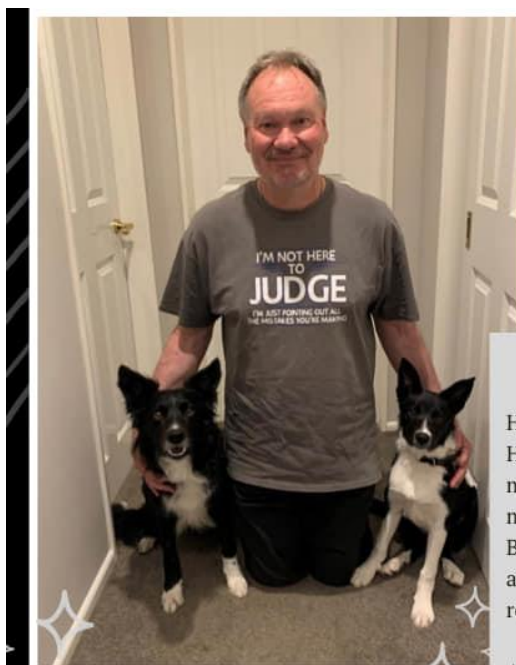

OOPS!

We are so pleased to have been asked to judge at this years Zone 1 DAC that if we were schizophrenics we'd be beside ourselves. But since the event is all serious unfortunately Martina will have to stay home 😊 but she's fine with that.

Martin is soooo looking forward to judging this year, a privilege to be asked to judge at our prestigious event and a big thanks to the organising committee for asking me to judge. Martin has been playing agility for 23 years with his Belgian Shepherds and has the honour of the first Belgian Shepherd Agility Champ in new Zealand.

He has been on the judging scene for 16 years now and loving every bit of both sides. We are certain that Zone 1 is going to make this a fabulous event and wish everyone safe travels to and from, lots of fun and awesome times catching up with friends from all over. Take care everyone and looking forward to catching up again 😊

NZDAC MORRINSVILLE 2023 PRESENTS:

Paul Taylor

Hopefully most people will know who I am, but if not, I live in Upper Hutt and have been part of agility since 1992, where I started as a member of the Feilding Dog Training Club. Initially competing with mixed breed dogs, including rehomes, I currently compete with Border Collies. I am a life member of Upper Hutt Dog Training Club and have served on various organising committees for agility at regional and national levels.

As I settle into my second decade of judging agility, I still get a real thrill from designing and setting up courses to test the skills of handlers and dogs. My main goal of course design is to provide flow for the dog while requiring skills that are appropriate for each of the levels of competition.

It is an honour to be invited to judge as this year's NZDAC and I thank the organising Committee for making this possible. I am looking forward to catching up with the wonderful folks of the agility community who can make the trip to Morrinsville later in the year.

NZDAC MORRINSVILLE 2023 PRESENTS:

Sharon Wagener

Hi Agiliters - I'm Sharon Wagener.

I'm delighted to be invited to judge again at the 2023 NZDAC having missed out on judging NZDAC in 2020 and 2021 due to covid cancellations. I have been judging agility since 2009 and I love it.

I have been competing in agility since 2001. My first agility dog Molly was the Zone 3 Team Novice dog at the 2006 NDTA (that's what NZDAC was called back then) in Christchurch. We had to run 3 times to get a time just after I had the flu. It was pretty challenging, but Molly was a trooper who never put a foot wrong. On the trip home to the North Island we had the infamous ferry crossing that took 3 times as long as usual with 10m waves breaking over the top of the ferry at times. The News on TV One was saying all of the ferries were safe in harbour despite us still being out on the Kaitaki in the thick of it. There were lots of agility people on board all hoping we would get home in the end just like Molly! And sure enough we did - we all survived the crossing - just.

I currently live in Waikanae with 4 black mini poodles and an "outlier" who is a Papillon/Jack Russell cross. The poodles are all breed champions that I bred with my mother Noeline Wagener - a retired senior agility judge. They all did agility with some success - all getting into senior but were never outright speedsters. My Papillon Einstein is a different kettle of fish entirely. He loves toys (yay!) in a feral way, is stubborn, easily distracted and amazingly smart. We have just started competing and I can't wait to see what we can do and to have fun doing it.

NZDAC is special. The best dog/handler partnerships and many others rock up to do their best to win, or to achieve other goals. The judges have a front row seat and we are very privileged to see so many amazing runs from close up. It is a huge honour to be asked to judge at DAC, and I am looking forward to it immensely. I hope you enjoy my courses and find that special spot that only comes when everything comes together in harmony, you remember the course and together nail it!

Agility & Jumpers Finals Qualifiers

The winners of each height class automatically qualify for the final.

Placegetters will receive points :- 2nd = 9 points, 3rd = 5 points, 4th = 3 points, 5th = 1 point.

For each final there are a maximum number of qualifiers for each height. Winners take the first spots and then the dogs with the most points may also qualify for the final.

With the advent of the five way splits, the classes that have split five ways do not calculate the same way as previous years. After consulting the Agility Committee, we have used the original calculation, but this has now meant there are more than 25 dogs in the finals with five way split classes, due to the requirement of having a minimum of three dogs per height.

Starters Final – Judged by Sharon Wagener

Interclub Rules

Interclub Teams

The Interclub team will be run as per Agility Regulation 9.3. The winning team will be the team which gains the most points over all standard Agility 2 classes at the NZDAC on Saturday, 21 October on the following basis: First place 10 points down to 10th place one point, with team members gaining an additional one point for clear round regardless of the place gained in the class.

A full list of teams and the live results of this event can be viewed at <https://www.showsec.co.nz/nzdacinterclublist.php>

The Regulations

“9.3 Rules for Conduct of Interclub Agility Competition

9.3.1 Number of Teams

All registered Agility societies may enter a maximum of two teams.

9.3.2 Composition of Teams

Teams will comprise 3 dogs and 3 handlers with no more than two dogs eligible for the same classes in any one team.

9.3.3 Format of Interclub Agility Competition

The Competition may either be run in either one of the following methods

9.3.3.1 A separate Interclub Teams Event may be scheduled and may be run on such course or courses as proposed by the NZDAC Organising Committee and approved by the NZKC Agility Committee. The method of defining the winning team must be included in the schedule for the NZDAC.

9.3.3.2 The Interclub Teams Competition may be decided by the calculation of places gained by Team members in such standard classes at the NZDAC as the NZDAC Organising Committee may decide.

9.3.3.3 If the Interclub teams competition is to be run over standard classes at the NZDAC, the following method of deciding the winning team will be used.

The winning team will be that which gains the most points gained in such classes on the following basis.

First place 10 points down to Tenth place 1 point with team members gaining an additional 1 point for a clear round regardless of the place gained in the class

9.3.4 Entry In One Team Only

No dog or handler to be entered in more than one team.”

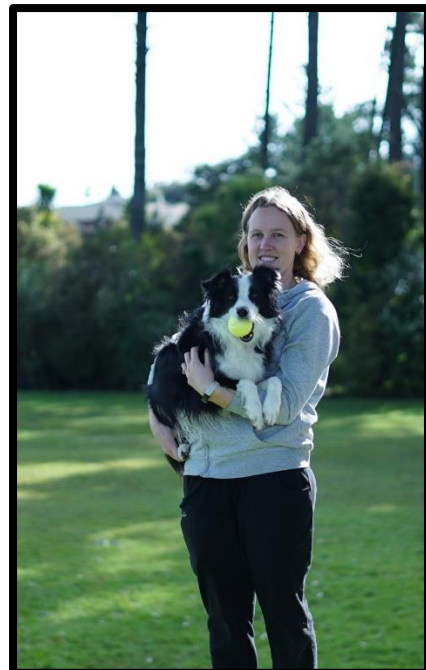

Interzone Profiles

Charlotte Jager and Delta - Starters

I started dog agility 16 years ago with a labrador. I currently have a Japanese spitz and Delta, a border collie.

Delta's agility career has been quite interrupted. I found another passion in life – bridge – and weekend bridge tournaments competed with agility weekends. I then found a husband, they can also be quite a time commitment. We sent the dogs to a loving foster home for 6 months whilst we embarked on a sailing voyage around New Zealand (luckily for the dogs, we aren't very good at sailing and the trip didn't last too long – insurance is a great thing!).

We just started getting back into agility when covid happened. Delta has moved numerous times, belonging to Counties, North Shore and now Cambridge Dog Training Club. I'm looking forward to representing Zone 1 with Delta.

Tarah Spyve & Azmin – Novice

Hi, my name is Tarah, a Life Member of Cambridge club, but I moved to Whitianga in the Coromandel 10 years ago so have had no club to train at since!

I have been competing in agility for just over 20 years and have been on the judging panel for about 14 years. I have been to a few NZDACs/NDTAs and my highlight was road tripping to DAC in Christchurch last year for my first South Island show (we even had a win in Jumpers B!). But this year was my first year trying out for teams. I didn't have any expectations, I was asked to judge and I wanted to go for some extra ring experience. So I was thrilled when my 3 year old chocolate Border Collie Azmin made Novice dog for Zone 1!

Azmin has exceeded my expectations as I wasn't sure that my agility pup was in fact ever going to get to do agility - she was diagnosed with elbow dysplasia and had surgery at 9 months old. I was thrilled when months later the specialist said she could do agility, but we don't know for how long. So right now I enjoy every moment of our agility career together, and never take it for granted that we get to be playing this fun agility game as a team together!

Caitlin Frater & Seismic - Intermediate

Seismic, also known as Seisey, is my first Border Collie and the puppy I waited 9 years for. She's my super speedy girl and is a pretty easy dog to run, apart from the times that she decides to turn off her ears and go in a tunnel! I got her while I was at university so I had plenty of time to teach her silly tricks and build an amazing bond with her. She's a very talented agility dog with some super skills and loves playing the game with every inch of her being.

Seisey's other favourite thing to do is to scream and shout while sprinting around the park with her short-legged sister. She's a typical, weirdo BC who is super sensitive yet also has a touch of over-arousal thrown in for good measure.

She's a typical, weirdo BC

This is my fourth time being on the Zone 1 team, but it is the first time I haven't been running a little dog. Hopefully, Seisey keeps her toes up and her non-tunnel-sucking ears on so we can contribute a good run to the team – I'll try hold up my end of the deal too!

Lara Tompsett & LimiT – Senior

LimiT and I are delighted to be representing Zone 1 as senior dog this year. This will be LimiT's first DAC, due to Covid restrictions and South Island DACs, I haven't yet ventured down south to compete, but never say never.

I have been competing for 11 years. LimiT is my 4th agility dog (#5 is also up and running). I love travelling the country and competing in this this game we all love.

LimiT hasn't always been the easiest. She has lacked confidence, had health issues and an injury last year that I actually believed would bring her early retirement. She proved me wrong and has come back just as good if not better.

You will hear her before you see her, but once she is on the startline, she is game on. Be aware... when she is good... she is very, very good.

Good luck to all of the other Zones. Looking forward to a great weekend. GO ZONE 1 🐾

Wendy Statham & Tonic - Starters

Hi, I'm Wendy and this is Aneeda Little Something (Tonic), my 2yr old border collie.

This is my second time representing Zone 2; last year my border collie Willow was Team Starters Dog, so we've got a lot to live up to!

Tonic is a fun-loving young pup who loves chasing rabbits, wallabies, and the occasional possum, and when that's done, she loves curling up for a good snooze.

Morrinsville is Tonic's first NZDAC, and we're looking forward to representing Zone 2.

Paul-David Meyer & Una - Novice

Never would I have thought that I would be taking part in dog agility. However 5 years ago I met Una at Tauranga SPCA.

She was a 9 week old Staffy Cross as they defined her. Being my first dog as an adult, I needed help and found Tauranga Dog Training Club's website and quickly signed up for puppy classes. Una took to the training well and we quickly moved up through the classes with the help of some amazing and talented trainers.

We first started competing in November 2020 and it has been a great surprise at how successful she has been. It has been an awesome experience with such an incredibly supportive community.

When not working as an electrician or attending agility events, I race a Wingless V6 Sprint car at Speedway.

I am extremely blessed to have a very forgiving and supportive wife, Kimberly, who looks after our four wonderful boys. I was born in South Africa but having lived in NZ for 28 years can officially call myself a Kiwi.

I hope we can continue our success but with a few expected zoomies from Una along the way, will always keep me grounded and everyone entertained.

Sue Whitwell & Edge - Intermediate

My name is Sue Whitwell also affectionally (sometimes) known as Auntie Sue, and I have been competing in dog agility for over 12 years now. My first agility dog was a mini schnauzer called Wallace, he is now 13+ and enjoying a well earned and luxurious retirement.

I am running a 600 dog, in the Intermediate spot for Zone 2. He is an entire 8 year old Australian Working Kelpie - his posh name is AgGrCh JGrCh Illawarra Legend ADXA Gold SNS JAG . I just call him Edge or Wedgy. This is our

second time representing Zone two and we are honoured to do so.

I am incredibly proud of my big dog and all he has achieved and while neither of us are spring chickens, we can still give the young ones a run for their money. Probably the most embarrassing claim to fame Edge has, is that he has broken two see saws, he finds it very rewarding to hit the see saw like a launching pad.....very bad training! Agility is a lifestyle for myself and my dogs, I travel far and wide to compete, and even though we have achieved more than I ever hoped we still love the game.

I know the Zone 2 team members will all give it their best shot and we would love to hear the Zone 2 support from ringside.

Cherie Saunders & Ayla-May - Senior

I have been in the agility game for about 8 years. I originally got into agility when I took my previous Schnauzer, Cricket, along to Tauranga Dog Training Club for training and saw a wee Miniature Schnauzer doing agility training, and decided we wanted to do that to!

Ayla-May and I have represented Zone 2 once before, but never in a senior class where we are also the only dog in the class that is not a Border Collie. I guess if we looked at heights in the senior class - we could definitely be seen as the under-dog! ☺

Ayla-May LOVES agility. For her it is all about speed, and often waiting at start lines or slowing to touch contacts are things she sees as unnecessary and not the most efficient way to get around the course in the fastest possible time. She is often very vocal with me in the course either affirming my directions or yelling at me to direct her where to go next. For DAC – my hope for her is purely to have an enjoyable and connected run with me.

I feel incredibly proud to have Ayla-May in my life and with her coming up to 8 years of age, I feel very privileged to be able to play the game of agility with her.

Sandra Banks & GG - Starters

A Dogs Perspective

My owner and I 🐕👤

My name is GG, I was the odd one out.

The road hasn't been easy without a doubt 🤔

Sandra couldn't understand me, and I shut down real fast.

Several times I didn't think our relationship would last 😞

That word of rehoming was mentioned a lot.

So off to see Carl and help we got 🙏

Training at Carl's was the best place to be.

Training at Carl's was the right place for me 🐕❤️

Treats came at his place and a new love from mum.

I soon become a good dog and we became one 🐾

Carl taught us all sorts, mum thought that was fun.

No more shutting down and I started to run 🐕🏃

The more I ran, the faster I got.

Our partnership grew, it grew a lot 🐾👋👋

I started to travel to shows which was neat.

Then one day my mum said "it's your turn to compete" 😬

I wasn't very good, not like the rest.

It was sort of scary, but I tried my best 😬

That word of rehoming once again came out.

Not sure of my fate, was it North or South 😬

Then mum took a toy in the ring just for fun

My eyes lit up and I enjoyed the run 🐾🐾🐾

Then all of a sudden, I became more determined.

I enjoyed it that much; I nailed my first German 🐾🐾🐾🐾

So happy my mum stuck with me.

Here we are now, representing Zone 3 😬😬

Kylie Purgal & Zoom – Novice

Hi! I'm Zoom! I'm a 3yr old Lakie with what I'm told, an alligator attitude. When mum messes up in training, or you know everyday life, I like to correct her with some air snapping. She pulls those socks up quick and tries her best to get it right though, so I'll give her some credit.

This is our first EVER NZDAC! And to make the team (in what I can only say, the ultimate style) is amazing!! We are very excited to travel, meet up with friends, make more friends and experience NZDAC for the first time.

See you later, Zoomagator!!

*'Never smile at a Zoomadile,
I will snap, snip, snap at you with a smile,
don't be fooled by my teddy cute look,
I'll zig n zag in style,
Spinning you round like dials,
So don't mess up mum,
Coz I'm a Lakeland pup with a terrier strut'*

Nikayla Hart & Dreamer - Intermediate

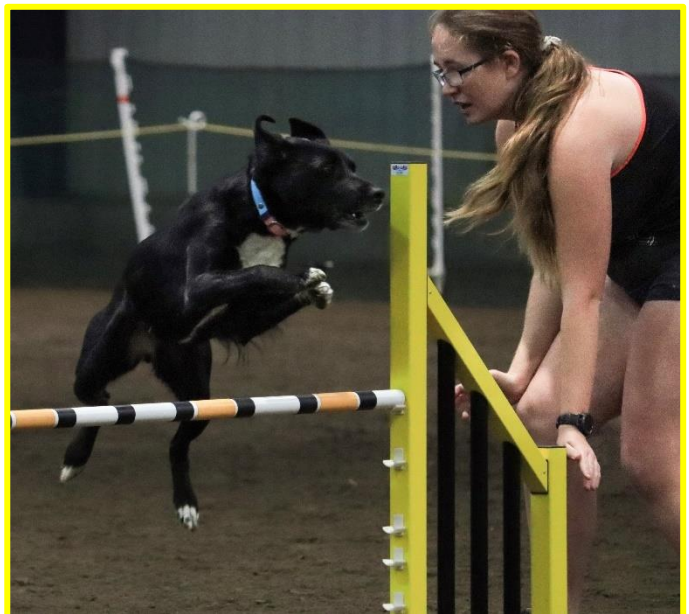

This is Dreamer, a five year old mixed breed dog from Taranaki.

This is our first time representing our Zone for NZDAC.

We're ready to smash it!

She's an awesome dog who is always ready to show off her skills!

Dreamer and I can't wait to do Zone 3 proud!

InterZone Sponsored by Brandt **Brandt**

Erin Ball & Whiskey – Senior

Whiskey is a Pedigree Border Collie that we bred, he started off being trained for Obedience and Agility but ended up coming back to us due to environmental issues at 16 months old.

Now he's 8 years old and thriving in his farm life. His favorite past times include dragging sticks along the ground backwards as fast as possible, agility, swimming, and squishing his favorite toy (like there's no tomorrow) when something exciting is happening. He has been a phenomenal dog to train with his speed, willingness to please and crazy drive - he'd do anything you ask of him - he's a really snuggly boy as well.

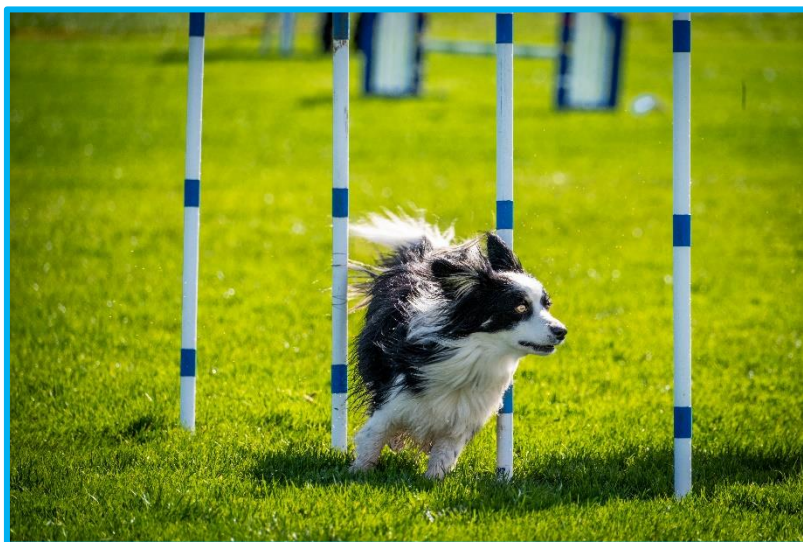

He has recently gained his Agility & Jumpers Grand Champion titles and after all these years had his first ever Championship 2nd place in Intermediate - beaten by his little brother Dice!

We look forward to showcasing our skills and partnership in the Senior Ring. Good Luck Everyone!

Leeanne Russell & Keepa - Starters

Hi, this is my teammate, Keepa (Swish's Keepa Secret). He is a borderpap and we are proud to be representing Zone 4 as the Starters team dog.

I fell in love with borderpaps at NZDAC Cromwell 2019, where my mission began to get one of my own and I now have two. My plan was to run non-comp in the team trials, until my friends talked me into making a last-minute decision - I am unsure if I want to thank them or not yet...

Keepa was only 18 months old at the time of the trials and NZDAC will be only his third champ show, so we have a lot to learn together. Keepa is a cruisy dog at home, who loves to be the centre of attention among our other three dogs, and he is a big smoochy love bug.

Keepa is a super honest dog to run, and I hope to do him and the zone proud. We both love the super-addictive sport of agility!! Go Zone 4!

Nicki Buist & Siri - Novice

Siri is a five-year-old border collie who is loving being an agility dog and grows in confidence every time we compete. This is our third year competing for our local club Selwyn, our second time competing at the NZ Champs and second time for both of us representing the Zone 4 team.

In her spare time, Siri enjoys joining us for trail runs through our local forest and up the hills, playing in her paddling pool and chasing rabbits around her lifestyle block.

Recently, we did our first road trip out of the South Island to compete in Wellington, which was a fantastic experience. We were away for 10 days total together and it is amazing how much your bond grows in that time, when you are together 24/7. My goals for DAC are: to have fun, be consistent – run the courses as per my plan when walking and gain as much experience as possible in the DAC environment.

Being in the zone 4 team is a huge privilege and we will try our best to do the zone proud. We look forward to meeting other competitors and enjoying our time in Morrinsville. Go zone 4!

Aimee Taylor & Willow - Intermediate

Hi! I'm Aimee and this is my girl Willow! We are both super excited to represent Zone 4 in the intermediate spot at NZDAC this year for the first time.

Willow and I have only been competing for about one and a half years, with her only turning 3 in July this year and me being totally new to agility. We have both been learning as we go and still have plenty more to learn! I love competing with Willow she is an absolute joy to run, and I think we both love agility just as much as each other.

Our goal for NZDAC is to get clear rounds and some top three placings, all while having a whole lot of fun and getting to explore some new places!

... and I think we both love agility just as much as each other

Jess Tansey – Senior

Here we go again, another Zone team Bio. This will be Rapid's 4th time in a zone team. Unfortunately, Covid cut out a few NZDAC years for her, but trials weekend seems to be her most consistent weekend every year. This time we are the senior dog for Zone 4. I'm looking forward to running this year with a team packed full of Border Collie and BC mixes. Rapid was the Novice dog for zone 4 last time the trophy was held down in the south, hopefully, this year we can bring it back home. GO ZONE 4!

Justin Crosswell & Kingsley - Starters

Tēnā koutou e hoa mā, ko Justin toku ingoa, ko Kingsley te ingoa o aku kuri. No Murihiku Hounds matou.

My name is Justin and this is Kingsley the Golden Retriever. We are from Murihiku Hounds in Southland. Team Murihiku Hounds are reasonably new to agility having only been competing for just over a year now. I have been very excited to see the progress and achievements we have made so far. We are extremely grateful to the people who have helped us in our training over the last year!

Our proudest moment from the Murihiku Hounds team was Kingsley's first clear round at his first champ show in Cromwell earlier this year. Outside of agility, Kingsley is our school support dog. A favourite memory the tamariki have of Kingsley is when he joins in their games and ends up bowling them over like skittles instead.

One of the many things I have enjoyed about the agility community is all the people we have met and the friendships we have made, dogs and humans alike.

This is our first DAC and first time representing the Zone 5 team. We are so proud to have earned a spot as a Starters dog for this year's event. With Kingsley being a golden retriever, he has the natural urge to be everyone's best friend, so our goal for DAC is to focus on me and keep his socialising til after he's finished his run. We would also love to meet another golden retriever competing in agility <3

Richard Powley & Ember – Novice

Hi, I'm Richard, and this little character right here is Ember, my trusty Australian Kelpie. We're gearing up for another round of exciting adventures, and Ember's back for her second year proudly representing Zone 5 as the novice dog.

Ember has come a long way; when we first welcomed her into our lives at six months old, she was a boisterous, very plump pup. Through diligent care, she has slimmed down into a perfect fit alongside my other two and a quarter canine companions, Mello, Rapid, and Fitz. Both Mello and Rapid have also had the privilege of representing the Zone 5 team in the past.

Ember's list of favourite activities includes barking, indulging in forbidden snacks, barking, agility, cuddles from anyone at anytime and, did I mention, barking?

We had a blast last year, and it's incredible to see how much Ember has grown in confidence since then. The team event is nothing short of a spectacle, and being part of it is an absolute delight. We're deeply honoured to once again join this incredible Zone 5 team, and we can't wait to em'bark' on this new adventure together with everyone.

Reece Smith & Risk - Intermediate

Meet Risk, my remarkable 8-year-old Border Collie, a true veteran of the game. For the fourth year running, she's earned her spot on the Zone 5 NZDAC interzone team, and this year, she's proudly taken up the intermediate position.

Risk embodies the spirit of determination. She's a bit of a maverick, running to her own rhythm, defying the rules of traditional training. While she may not be the swiftest on the track, she's the epitome of "slow and steady wins the race," always poised to seize that coveted top spot.

With Risk by my side, we're ready to make this year's competition one for the books!

Karen Grant & Tex – Senior

Howdy folks, I'm Tex – your Zone 5 Senior Dog sensation, here to make you laugh, wag your tail, and maybe even be amazed at my agility skills along the way. Yessiree, I may be 9 years old, but I've got more pep in my step than a pup half my age! My Mum and Dad were both Agility dogs so it's in my blood, folks. I was dreaming of jumping through hoops and climbing obstacles since the day I learned to wobble on all fours. I've got the moves and the groove and now, I'm teaming up with the fantastic Karen Grant for the inter-zone agility teams competition. I

might be representing the zone for the first time, but trust me, I've been training for this since I was a wee pup.

My favorite thing about agility? Well, aside from spending quality time with my human, Karen, it's gotta be that glorious moment at the end of each run when I get to chase down my trusty toy. If I could talk, I'd tell you that it's better than belly rubs and bacon combined! And let's not forget my proudest moment in NZDAC history. Back in 2016, I strutted my stuff at Rakaia and took home the trophy in the Starters final. Oh, the glory, the fame – it's a tale I'll be barking about for ages!

So, folks, when you see Tex and Karen on the agility field, don't be surprised if you see me grinning from ear to ear, my tail wagging like there's no tomorrow. Because whether I win or lose, I'm just here to have a howlin' good time. Y'all can cheer us on - let's do this, Zone 5! Yeehaw!

Paige Yearbury & Ocean - Starters

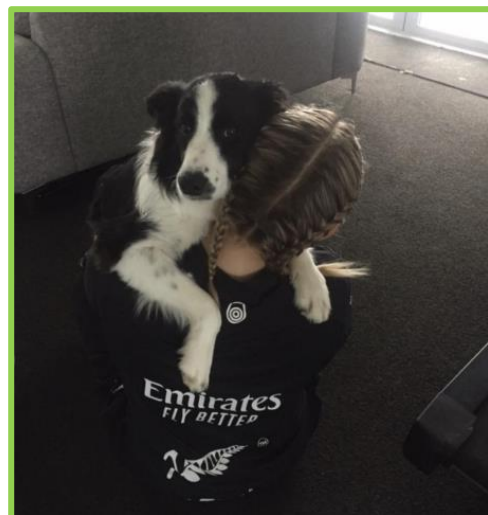

My name is Paige. Myself and Ocean will be representing JDT Zone 6 for Starters this year at DAC.

I've been doing agility for 3 years now, ever since I fell in love with border collies. 3 years ago I really wanted to get a puppy so I started looking and I saw these adorable border collies so I started to look more into their breed. What I found was that a lot of them did agility. Only a few weeks later I went to watch an agility competition and from there I fell in love with the sport even more and couldn't wait to start.

That's when I found Ocean and I couldn't be happier. My favourite thing about agility is my dogs and the people I have met. I wouldn't be where I am today without them. We have never represented a zone team before but we are so excited to give it a go and try our best.

My proudest moment with Ocean is when we got our first ever win. It has been the best thing that's ever happened in my career in agility. Even a brief reflection of our accomplishments fills me with pride. My funniest moment with Ocean is when she's really happy she will follow you and bite your ankles, It's not as painful as it sounds.

What I want to achieve at DAC is for Ocean to get her weaves and for us to gain more confidence in the ring and definitely some clear rounds, but who doesn't want that

Jayden Duff & Murphy – Novice

My name is Jayden Duff, and I'll be representing the JDT Zone this year at DAC.

I started doing agility close to 7 years ago and was first introduced to it in an upper hut show because of my grandparents volunteering and competing at the show. When I first witnessed this crazy thing called agility, I couldn't help but be awed by how they could even catch up to their dogs, yet alone have the breath to tell them what to do, and I thought, Why not give this a go? It'll be fun, I thought, but now I can't get out of it, and that's a good thing. How else would I spend my time?

My favourite thing about agility has got to be getting somewhere. Like, who doesn't like a ribbon? I also love the idea of having a good time with Murphy, aka Smurf, aka Murphster, among other names. Me and Murphster have never represented the zone; who would have guessed that? It's our first DAC ever, and we have the chance to prove ourselves. CORRECTION: Myself. My dog has nothing to

prove; he's already proved it.

My proudest moment with Murphster is how many titles he has gotten and whenever he does well at a show. The most hilarious moment in Murphy's life has got to be when he decided to gap it to the river after training. I guess he had enough. I mean, who wants to keep on touching the little colourful square at the bottom of the ramp when they can go have fun instead? What we hope to achieve at DAC is many things. These may include actually getting contacts, and I guess no one wants to lose, right?

Stephanie Butler & Winnie - Intermediate

This is Winnie, a Beardie X and her handler, Stephanie Butler. As a handler, I have been doing agility since I was 8. That is almost 9 years, and this has been various different dogs.

My favourite thing about agility is going out there with your own personal goals to achieve. Those small and realistic goals, are the ones that keep you going back for more. I have never been in a zone team before, as well as Winnie, so very honoured to be able to finally tick it off my bucket list.

My best memory of Winnie was from last year, she had an absolutely smashing weekend at the Fielding Jumpers. Getting ribbons in 6 classes and an extra top dog ribbon, was one of the major highlights for sure. Not just because of the prizes, but knowing that that was a turning point our confidence in the sport. Now, picking a funny moment with Winnie is a hard one. She is a character in whatever she does. She is best friends with our cat called, Broski. They grew up together. Everyday they play fight, no matter the size difference. It hilarious to watch a cat the quarter of the size beat her up and chase her around the living room!

Something that I would like to achieve at DAC, is not about ribbons or prizes, it's about staying focused and not getting hung up on what may happen. To keep myself mentally in check, and having a positive attitude. As this will be Winnie's first DAC experience, I want it to be a pleasure for her. So that we can enjoy ourselves at future DAC's to come. I'm so grateful for this opportunity, and GO ZONE 6!

Caitlin Williams & Bella - Senior

I'm Caitlin Williams and I will be representing JDT Zone 6 in Senior this year at DAC. Watching YouTube is what got me into this addictive sport. I came across Crufts at the age of 9 and was quickly hooked.

After two years of begging for my own dog, I was surprised when my parents brought me to meet a litter of puppies. They were four-week-old Border Collies, all tiny and cute, it made choosing one impossible, until a little girl came to sit at my feet. I picked her up and inspected her closer, she sneaked a lick and that's when I decided she was the one. I went to Obedience classes with Bella and was fascinated by the knowledge the trainer had on dogs. It got me to think more deeply about how I was training Bella and brought me to train her many tricks.

For the first year of Bella's life, I trained all her agility foundations, but I didn't realise just how much more depth there was in agility until I was introduced to my first agility trainer. She helped me and Bella start our agility journey and made me realise just how much training goes on

behind the scenes. We eventually started training at Cambridge Dog Obedience Club just before Bella was 18 months, then started competing not long after. Bella made getting started in the agility world easier and I'm so grateful she is my first dog.

We've been competing for two years now and have gained ADXA-G in that time, I couldn't be prouder of what we have achieved and learned together. Now we get to represent JDT for the first time at our first DAC. I would love for us to get at least five clear rounds, because it's possible for us to achieve, a win would also be nice, but I wouldn't be disappointed if we didn't. I don't have many goals for DAC because this is our first big event and we'll both be quite overwhelmed but having fun and feeling like a team will make me happy.
