# PERFORMANCE

Increase endurance and support rapid muscle recovery and joint health

Available in 20kg

## DID YOU KNOW?

Some dogs use more energy than others due to their temperament, their job or their owner's lifestyle. During peak periods a dog will require 2-3 times the calories per kg of body weight than that of a dog at rest. These dogs need a high energy diet to perform at their best.

To enhance the fitness level of healthy dogs that already enjoy an energetic lifestyle, they need to be fed a formula that is highly digestible and energy dense in order to:

- Optimise overall performance
- Reduce risk of injury and help prolong an active lifestyle
- Maintain lean muscle and a strong immune system
- Ensure a nutritionally complete and balanced diet for an active life

## HOW DOES PRO PLAN® PERFORMANCE WORK?

PRO PLAN® Performance is a high energy, highly digestible food. With optimal levels of protein and fat, which is ideal for the higher energy needs of active and working dogs.

**With 32% protein and 21% fat**, PRO PLAN Performance provides a high energy diet to maintain high energy needs.

Formulated to aid rapid muscle recovery, including high levels of protein for amino acids

Highly concentrated and digestible formula to help fuel the high metabolic needs of an active dog.

## PRO PLAN® Performance

Increased endurance for highly active dogs due to high protein and fat levels

High protein min. 30%

Formulated to aid rapid muscle recovery, including high levels of protein for amino acids

Increased endurance for highly active dogs due to high protein and fat levels

Concentrated nutrition to help fuel metabolic needs and maintain lean muscle

Calcium, phosphorus and other minerals helps build strong bones and teeth

High digestibility quality ingredients for superior nutrient absorption

Provides key nutrients mothers need during pregnancy and nursing to nourish strong puppies

Omega-6 fatty acids to nourish skin and coat

Scientifically proven antioxidants to boost immune defence

## PRO PLAN® Performance

Specially formulated for endurance, pregnancy and nursing dogs  
Complete and balanced dog food

### Helps improve endurance

Optimum fat and carbohydrate ratio, accompanied with high-quality protein and fat, improving endurance for dogs with high activity levels

### Formulated to aid rapid muscle recovery

Amino acids from high-quality protein promote muscle cell repair, which leads to the rapid recovery of muscles in sporting dogs

Nutrition from high level of quality protein promotes oxygen metabolism for increased endurance

2024

NEW ZEALAND  
DOG AGILITY  
CHAMPS

UPPER HUTT | 25 — 28 OCTOBER | TRENTAM MEMORIAL PARK

## Welcome to NZDAC 2024 Upper Hutt

### Wayne Turner, Chair NZDAC Committee

Welcome to the 2024 NZ Dog Agility Championships, hosted by Zone 3. As a local from Upper Hutt, I am immensely proud that this year's NZDAC is being held at Trentham Memorial Park.

The park's rich history and natural beauty offer a wonderful setting for both the agility competitions and for enjoying time with our canine companions. I'm sure everyone will appreciate the park's blend of history and nature, creating a memorable experience for all involved.

This extraordinary event is the culmination of months of dedicated effort, and we are profoundly grateful for the incredible support we've received throughout the planning process.

We are truly fortunate to have such an exceptional venue for our event, and this is thanks to the generosity of the Upper Hutt City Council. I would especially like to acknowledge the help and ongoing support of His Worship the Mayor, Wayne Guppy, and the dedicated Council staff, particularly Brett Latimer, Parks and Reserves Manager, and Peter McKenzie, Parks & Property Officer. Their contributions have been invaluable to our success.

We extend our deepest thanks to our premier sponsor, Purina Pro Plan. Their fantastic products are sure to be a hit with your dogs. We also express our sincere gratitude to PD Insurance, one of our valued sponsors. Their support plays a crucial role in the success of this event, and we are immensely grateful for their commitment to our community.

We have numerous other sponsors whose support has been crucial to the success of this event. Without them, an event of this scale would not be possible. Please take a moment to support these sponsors, as their contributions are greatly appreciated. You will see in the catalogue that each of the six rings has been generously sponsored by different companies, and we are incredibly grateful for their support.

We are deeply appreciative of the dedicated Zone 3 club volunteers who will help our event thrive. Your commitment and hard work will be the backbone of our success.

We are fortunate to have secured the services of a fantastic team of judges for this NZDAC. Their courses are sure to be both challenging and enjoyable. Please remember that, just like you, they are involved in our vibrant sport for the joy of seeing our canine companions excel in what they love doing. We ask that you extend your respect and kindness to them throughout the event.

The NZDAC committee has done an outstanding job. It may sound cliché, but I'm genuinely at a loss for words to fully express my gratitude. The dedication and talent of these individuals, who have invested so much time and energy into making this event a reality—often at the expense of their own priorities—are deeply appreciated. Thank you for your remarkable commitment and hard work: Catherine Massey, Sheryl Mitchinson, Cherie Picking, Libby Ellery, Dyson Beasley, and those on the sidelines, Jude Taylor, Glenda Carston, and Peter Dewit.

Best of luck to all the competitors and their dogs! I hope the event is a great success and that everyone has a fantastic time in this stunning venue.

Wayne

## Steven Thompson, Director/Secretary DogsNZ

As I look back on the past 6 years of being involved in Dogs NZ, two agility events that I participated in stand out as an example of a dog sports discipline doing “the right thing” by its members and dogs.

The first was the Agility Conference at Ardmore in which the participating Agility Clubs explored ways in which they can work together to enhance their sport and help the clubs grow and prosper. New sports such as Hoopers was adopted which expands the range of dogs and handlers who can be involved in the sport. Sally Ramone delivered an interesting presentation on the 8-week induction program for new members that her club has developed which I believe provides a template that should be rolled out in ALL Dogs NZ Clubs. I came away from that weekend excited about the energy and fresh ideas that the Agility community has to offer our wider dog community.

A second highlight was attending as a guest, the 2019 NZDAC at Arrowtown. What a weekend! I experienced Agility competition at the highest level (quick handlers and even quicker dogs) and the camaraderie of the many social activities. The experience of watching the All Blacks exit the World Cup while sandwiched between a South Africa (the late Clint Hoebe) and the guest English judge (Lee Gibson) is something I will not easily forget.

I hope that exhibitors and their dogs leave this year NZDAC in Upper Hutt with the same enthusiasm for the sport and memories of the comradery with your competitors which makes our passion for dogs such an important part of our lives.

## Welcome from the AC Chair

I am extremely proud to be representing the current Agility Committee in my capacity as Chair. I would say that not very many people get the honour of being in this position when the DAC is being hosted in their hometown.

I would like to thank the organising committee for all of the hard work put in by a small group of people to ensure the success of this event. This year the entry numbers are above 5700 and are very similar to last year's event hosted in Zone 1, ensuring that there is an action-packed spectacle for everyone, including members of the public who turn up to watch. This year has seen the introduction of a wide variety of merchandise so that people will have plenty of opportunity to remember the event.

This year we have two Australian judges along with twelve New Zealand Judges, ensuring that they all get time to enjoy the experience without spending an excessive amount of time in the ring. Thank you very much for your participation and I am sure all of your courses will be well received.

No event of this size can be hosted without cooperation of all of the clubs from Zone 3 along with assistance from youth groups who have agreed to participate to helping with the smooth running of the event. My personal thanks go out to each and every one of these people for their assistance.

As with any event it will always be the competitors that ensure that the event is memorable, and I would like to say thanks for the entries and the long distances that many of you have travelled to attend. Good luck to you all and I hope that you get to enjoy some of what Upper Hutt has to offer.

Paul Taylor

## Upper Hutt Mayor's Message of Welcome

Welcome to participants and visitors of the NZ Dog Agility Championships.

On behalf of the city of Upper Hutt, I extend a very warm welcome to you all.

To the contestants and supporters, I know this is the pinnacle of the year for you all and whilst a focus will be on the championships itself, I hope you will also have the opportunity to explore our city and the wider Wellington region.

I am sure you will enjoy the park and the surroundings during the competition. A big thank you to the organisers and officials for the time and effort in preparing and organising the event. Whilst you are here and competing in the championships, it is a good time to catch-up with other competitors and friends.

Enjoy the occasion, enjoy the Wellington region and good luck.

## Event notices

### START TIMES

Judging for Session One will start at 8am each morning.

There will be no set time for Sessions 2 and 3 to start. These will start once all the classes in the previous session have been completed and all the courses have been walked. All of the classes in Session Two will start at the same time.

Champion of Champion events will run individually with Agility Champion of Champion first, followed by Jumpers Champion of Champion. Interzone Teams and Finals will also run individually starting with Starters or JC and moving up to Senior and Jumpers A.

### COURSE WALK

Courses for Session One will open for walking at 7.30am each morning. Courses for Sessions Two and Three will open for walking as soon as they have been set up, checked and approved by the judge. The last class to open for walking in those sessions will be given half an hour. Each ring will close five minutes before the start of the class so that the first competitors have time to get their dogs ready. Please leave the ring promptly at the end of the course walk. There will be no opportunity to walk the course after the class has started.

### JUDGES BREAKS

Judges' breaks have not been scheduled into the running orders. Each individual judge will decide if/when and for how long they need a break.

These will be added to the call board before the class starts.

Please check the call board to see if you are running around any breaks that may have been added.

### START LINE PROCEDURE

The handler must be ready to enter the ring at the time specified by the judge.

You are permitted to use a lead when entering the ring.

Take up a position on the approach side of the first obstacle, and if required, remove your dog's lead, and await the judge's signal.

Once the judge signals readiness, the handler should commence the run promptly.

### EXITING THE RING

When exiting the ring after your run, please ensure you use the designated exit point. Be mindful that another dog will be entering the exit area shortly.

Kindly reward your dog, place them on a lead, collect your belongings, and exit the area promptly.

Avoid dropping any food in the exit area, as other dogs may pick up any missed pieces. Refrain from throwing toys for your dog to chase in the area outside of the ring.

Please keep your dog under control and on a lead to ensure the safety of all participants and spectators.

## TRAINING IN THE RING

We have large classes, and time is of the essence.

You are welcome to finish your run after elimination.

Please refrain from excessive training, such as repeating obstacles or sequences multiple times.

If the judge or ring manager asks you to leave the ring, please exit promptly by heading directly to the finish. Please consider the judge, who stands in the ring for the entire class, and the competitors waiting behind you.

## CHANGE OF HANDLER

When a change of handler has not been made online this can happen at the scribe assist, they will note it on the scribe sheet.

## CONTROL OF DOGS

Please ensure your dogs are always kept on lead unless competing or in the practice ring or exercise areas. When unattended, all dogs need to be securely contained in vehicles, trailers or crates. NO dogs are to be tied to the back of open vehicles, stakes, trailers or other items. Trentham Memorial Park is a public place so members of the public may attend the event and we need to ensure the safety of both the public and your dogs.

You also need to ensure that your dogs have adequate ventilation and shade where they are contained. Please come prepared for this, as committee members will ask you to relocate any loose or tethered Dogs.

## PRE PURCHASED MERCHANDISE

Any merchandise that was pre purchased will be available for collection from the Cricket Clubrooms from 12pm on Thursday.

## HEALTH & SAFETY

All competitors and persons attending this competition should follow all health and safety advice which will be given at the start of the show. The committee has worked hard to identify, minimise and mitigate any health and safety risks.

Therefore, attendees are responsible for the following:

- a] Abiding by the guideline stated at the outset of NZDAC
- b] The Health and Safety of dogs in their care
- c] The Health and Safety of children in their care
- d] Any loss or damage to any equipment used or owned by that person (except club equipment)

Please report any accidents, incidents or near misses either to your nearest Ring Manager or the H&S Committee representative, Sheryl Mitchinson.

## SECURITY

Please secure all of your belongings, the park is a public area and members of the public can walk though. Be vigilant and report any suspicious behaviour.

## PARKING

There are designated parking areas. The main asphalt car park is for vehicles without trailers. Anyone with a trailer will need to park in the grass parking area. Please observe the reserved areas. Parking behind day tents will need to fit inside the allocated space (4mx9m).

## CATERING

A range of food trucks will be available across the four days - with some being open until early evening. Our food/beverage vendors are:

### Poultry In Motion

Fried chicken, waffle fries, loaded waffle fries, salads, and soft drinks.

### Indiana Street Food

## Judges

### Dean Crossthwaite (NSW, Australia)

I live in Somersby on the Central coast of NSW, Australia with my wife Emi and our three border collies Niah, Kai and Paige. I started training agility in 2010, after Emi began online classes. We would go to the park together to train, and it really didn't take long to get hooked after that :)

Early on, I was lucky enough to be introduced to two trainers who have had the strongest influence on my agility journey. Silvia Trkman's positive approach to training, and how break down and train complex skills. Her encouragement and positivity have permeated all aspects of my life ever since. The other big influence was Zeljko Gora, who really sparked my interest in the finer details of handling. Breaking down and analysing course options, where and how to move, sending skills, cue timing, and finding the fastest lines is something I really love about agility.

I compete in agility with Kai, who is an Australian born Welsh sheepdog. He is gentle, sweet, and loves verbal commands. He has a long stride with a deceptively fast ground speed that keeps me on my toes as well as wanting to be the very best I can be, as a handler and judge.

When I'm designing courses, I rely heavily on feeling. I love the variations in handling, independent skills, and success built on trust.

I'm very grateful and feel honoured to be Invited to Judge at NZDAC. I'm really looking forward to making new friends, watching runs, and celebrating your success.

## Emi Hinago (NSW, Australia)

My agility journey started in 2010 with our Border collies & my partner Dean. We self-studied and trained everything with Silvia Trkman's online classes. We trained running contacts and quite challenging skills from the 1st dog with Silvia, and are influenced by European agility. I have regularly attended/organised various seminars with European trainers and judges ever since we started agility!

I am currently running a 3 year old BC girl Paige who is challenging to train and run, she is very high in arousal, fast, and full of attitude! I love training skills for our dogs, my dogs have been teaching me so much about dog training, dog lines, and movement, I believe my experience is reflected in my course design.

I love designing courses that have a balance of skills and speed, "variations of techniques in a fluent line" is what I love!

I became an agility judge in 2021, so I am a fairly new judge. I feel honoured to be asked to judge at the 2024 NZDAC! Looking forward to meeting with you all!

## Libby Ellery (Feilding)

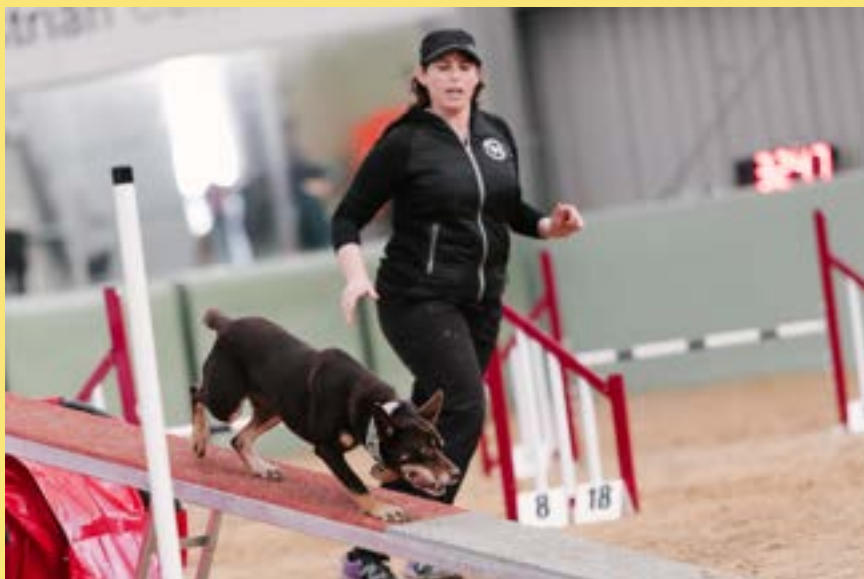

I'm not going to say how long I've been judging agility but I'm grateful for the fantastic opportunities it's given me to travel, meet lifelong friends and be a part of the best sport ever.

When I'm not judging I compete with my 2 Border collies in agility and obedience and when I'm not at a dog show I'm either walking dogs, taking puppy classes or teaching the 2 legged under 5 year olds.

I grew up on a farm in Wellington but made Feilding my home about 25 years ago. I'm excited and honoured to be judging at NZDAC 2024! We've got an amazing venue and I feel privileged to be part of a very cool line up of judges. Good luck to everyone competing, I hope you have fun on my courses.

## Meredith Evans (Leeston)

I'm honoured and excited to be judging at NZDAC 2024 in Upper Hutt. This will be my third time judging NZDAC but every experience is a bit different.

A bit about me. I have been doing agility for about 18 years, always with working kelpies. I share a property with Tim, two border collies, two working kelpies, two fat cats, and two kids.

Agility teaching, show secretary-ing, club organising, competing, and judging provides a really nice contrast to my day job as an IT Operations Manager, where I am tied to a desk and the indoors. It would be fair to say agility (while not being my total world) is a massive part of my life and has been for many years.

What keeps me in agility is the people. Agility people are so kind, friendly, generous, and fun. At least most of the time. And NZDAC is such a great time to catch up with them all.

What's awesome about DAC is the chance to compete and judge alongside the best handlers and dogs in New Zealand, in the most optimum environment and venue.

This year, I'm hoping for plenty of sun, lovely short grass to run on, and lots of exciting teams to watch and judge. No tornadoes please.

I can't wait to see you all there and I hope you enjoy my courses.

**Keri Neilson (Hamilton)**

I feel really honoured to be invited to judge again at this year's NZ Dog Agility Championships. I last judged a Zone 3 DAC in 2013 and things in the sport have changed so much since then. Aside from the obvious equipment changes, two things that stand out are:

- 1) the large classes are now split by height across different judges, and
- 2) we no longer have to sprint along the dogwalk to judge both the up and down contacts (a killer after 250 dogs). This is much appreciated by someone who is now in her 50s, and wasn't even very athletic in her 30s or 40s (we can't all be Libby Ellery...).

I've been involved in the sport of dog agility for over 20 years having competed with a ridgeback cross, a border terrier, a heading dog, three border collies and a BC x Papillion over the years. The biggest highlight for me was winning Top Dog with my border collie Rain at 2009 DAC. Although I judge more than I compete these days, I still feel the excitement of our national event and I know how special it is for new competitors and old campaigners alike. I'll spend a ridiculous amount of time designing and tweaking the courses (my partner doesn't understand this at all), and I hope to come up with final designs that will be achievable, challenging in subtle ways, and most of all, have handlers and dogs leaving the ring having had lots of fun.

Huge thanks to the Zone 3 DAC committee for asking me to judge. I am confident that they will pull together an amazing event, and I can't wait to see you all there.

**Tim Conolly (Dunsandel)**

Hello All,

I'm immensely pleased to be judging the Junior Handlers Beginners & Advanced class at this years NZDAC. I helped out (a little) at this years Junior Handlers Camp at Woodend in Canterbury, and am looking forward to seeing the youngsters running in a Competition.

The Junior handlers are awesome, and will no doubt be running circles around us again this year.

I am currently trying to stay ahead of the game with my young dog Catch. She is a neat wee BC that somehow has managed to be faster than my last dog Mouse. As I have slowed with age, I will have to employ guile & experience to gain success this time round.

I have been Judging Agility for several years, almost entirely within the South Island.

I try to make my courses fun and flowing with a bit of a challenge thrown in for those that like to nut out the best way to handle little sequences.

My favourite colour is green, I like competitive games, and am next to useless at scrabble.

## Wayne Grant (Dunedin)

In the Agility ring, where fun reigns supreme,  
Wayne's the name, and judging's my dream.  
It all began with Karen, my dear wife,  
Supporting her journey, a doggie-life strife.

From cheerleader to club's helping hand,  
I soon found myself in Agility's grandstand.  
Running my own dogs, a thrill to behold,  
But then came a twist, a story retold.

With guidance from Kirstin, my trusted friend,  
I took the leap, my application I penned.  
Being a judge, there is so much to like,  
Watching the teams, in pure delight.

At NZDAC, I'll be taking the lead,  
Watching each run with a critical heed.  
But what brings me joy, amidst all the fuss,  
Is seeing the bond, between dog and us.

So to the committee, a hearty cheer,  
For all your hard work, throughout the year.  
See you in October, for laughter and glee,  
At NZDAC, where Agility's the key!

## Liz Barlow (Porirua)

Liz has been competing in agility for nearly 20 years with entirely inappropriate dogs, yorkies and poodles. She has been a judge for about 4 years. Liz chose to take up judging when one of her poodles decided that agility was not for him and she wanted to continue to participate in the sport. She currently runs the mini poodle Edith and dreams of having another yorkie.

Her goal is to design courses with flow, that are safe, and offer a fair challenge for all competitors. She loves the chance to "woohoo" teams that go clear and acknowledge great effort to the teams that might not quite get there but tried their best.

She's looking forward to judging her first NZDAC and competing at her first one since the Bulls DAC. Don't ask her about the last DAC she entered - which involved "The Skewer Incident" and not getting to DAC but spending a lot of money at the vets.

## Sallie Remon (Dunedin)

Thank you Zone 3 for inviting me to judge, it is always an honour to judge at a National competition.

Around 38 years ago I competed in my first agility event and here I am many, many years later still involved in this fantastic sport. I've competed with several different dogs over the years and competed in all height groups with a variety of breeds including a Rough Coat Collie, Golden Retriever, Patterdale Terrier, Several Border Collies, Shih Tzu x Poodle and now a Malinois.

What I love about judging - watching a dog and handler successfully negotiate a course that I have designed, but also seeing dogs and handlers enjoying their agility no matter what happens in the ring.

What I hate about judging - watching handlers blame their dogs for their own lack of training, the dogs lack of understanding or just poor handling.

Judging at NZDAC gives me the opportunity to judge the best dogs in the Country at all levels and I'm really looking forward to it. I hope you all have fun and enjoy my courses. Remember you all take home the best dog at the end of the day and that dog loves you unconditionally, win or lose!

## Carl Ranford (Hawera)

NZDAC holds a special place, offering an electrifying atmosphere where fellow agileers come together to celebrate triumphs, whether it's a flawless round, overcoming a challenge, clinching victory in the finals, or a team proudly carrying home the trophy. It serves as the ultimate platform to showcase the pinnacle of agility talent nationwide.

My involvement in dog agility spans over two decades. Starting with obedience competitions in 1995, my passion swiftly transitioned to agility, captivated by its high-speed dynamics. Joining the agility judges panel in 2009 marked a new chapter, allowing me to traverse the country adjudicating various events. I've had the privilege of judging in Australia multiple times, while also actively participating in competitions with my border collies across the North Island. Holding roles such as President of Hawera Dog Training and Chair of the Dog Agility Committee & 2018 NZDAC has enriched my journey.

My professional identity is as an IT Manager & Senior Systems Engineer which complements my agility pursuits, reflecting my affinity for learning and embracing change. Family holds equal importance in my life, with my partner Catherine and our two children, Kyra and Corban, who share our love for dogs. With nine dogs enriching our lives, including the newest addition, "Skeme" a Border Collie, our household is always bustling with canine energy.

I extend heartfelt appreciation to the NZDAC organizing committee for extending the invitation to judge at this premier event. It's a privilege and an honour. I eagerly anticipate reconnecting with familiar faces, in and outside the ring. To all participants, I extend my best wishes for success, both on the course and in your partnership with your beloved canine companions.

## Misha Baxter (Christchurch)

My name is Misha Baxter. I have been actively judging since 2019. I have decided to become a judge for two main reasons. Firstly there was a need for Ribbon Trial

judges and secondly I was looking for something to challenge myself with. I love designing courses, I love watching them flow and bring joy to dogs and their handlers. Note, I mentioned dogs first. They always come first in dog sports.

Although I am on the Agility panel and will aim to become Senior judge as soon as eligible, I love judging Ribbon Trials. I always liked to teach and as a judge I have the power and responsibility to educate. And kids! Everyone loves watching kids and the chaos. Until they show us off! I will be one of the JDT classes' judge at NZDAC 2024 and I can't wait to be there, in the middle of the ring judging the future of our sport.

Thank you to the organising committee for asking me to judge for them, I am very honoured. Good luck to all competitors.

## Renee James (Wanganui)

I'm Renee. You'll find me around Wanganui with my four dogs, three chickens and two cows. When I'm not at agility I'm driving around in a big yellow ambulance.

This year I am judging one of the JDT classes.

Last January I spent my second year in a row as an instructor at JDT camp. I am passionate about encouraging a positive environment for the future handlers of our sport.

I can't wait to see the JDT handlers out there showing some of us adults how it's really done!

## Jess Tansey (Christchurch)

I am very excited to be judging the JDT Handler Of The Year event this year at NZDAC. It was a privilege to be asked as JDT has given me so much over the years and I feel like it's a great opportunity to give back.

There are some amazing JDT teams out there and I'm sure they are going to bring it to the courses I put out. These handlers are the next generation of our sport, so it's always an exciting event to watch.

Good luck to all the competitors at DAC, but a special shout out to the JDT members. Go and smash it!

## Lloyd Pallesen (Wellington)

I feel honoured to be asked to judge at our premier event for the 2nd time. I've been competing for 16 years now and judging for 7. I have run all heights of dogs except 240s including a heading dog, Belgian shepherd, border collies and terrier crosses. Current dog is SuperTed (320) an argumentative wire-haired Terrier.

Best dog agility memory - lots to choose from – but probably NZDAC 2015 at Tokoroa. Stellar was part of the Zone 3 Inter Zone winning Team, and Rose was made up as a Jumpers Champion.

I hope to see everyone enjoying all courses while having fun with their best mates (it's a cliché however we all take the best dog home). Always remember we are all volunteers in the dog world so be kind to everyone, especially your judges!

## Donna Tofts (Upper Hutt)

Thank you to the NZDAC Zone 3 Organising Committee for asking me to judge at this years event. I feel very honoured to have been given this opportunity.

I feel extremely lucky to have spent almost my entire life with a dog by my side. They are just such amazing friends that I cannot imagine not having at least one (or nine) in my life.

I started my agility career 2013 with my 18 month old heading dog Dash. I was a late starter to the sport, taking it up after our daughters had left home. Of course this allowed me to attack it with enthusiasm and it quickly developed into an obsession. Online courses, seminars and competitions instantly seemed to fill every waking hour.

I began my judging career in 2021 and a new passion was born and designing safe flowing courses became my new obsession. I love watching handlers and dogs enjoy the challenges that my style of course design offers and to my surprise it's not always the winning team that I enjoy watching the most. It's often the team that has the most fun attacking the course and who go out to achieve their own personal goals.

Good luck to all the teams competing this year. I'm looking forward to judging and watching all the amazing dogs and handlers competing in sunny weather and perfect ground conditions in Upper Hutt in October.

## InterZone Flygility

### NZDAC 2024 Flygility Teams Event

#### Judges: Chris Moody & Erin Ball

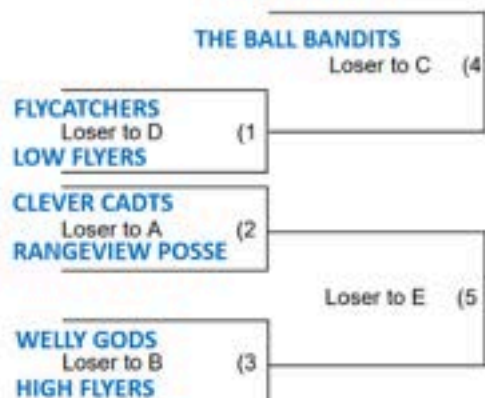

Thursday afternoon racing starts at 4pm. To be run under NZFDA rules. Double elimination racing applies. If any team goes through unbeaten to the final but gets beaten in that final, that final race will be repeated. The runner-up must have two losses over the whole event to lose the final. Teams are competing for the Ian Gray Trophy.

## Finals information

The winners of each height class automatically qualify for the final.

Placegetters will receive points :- 2nd = 9 points, 3rd = 5 points, 4th = 3 points, 5th = 1 point.

For each final there are a maximum number of qualifiers for each height. Winners take the first spots and then the dogs with the most points may also qualify for the final.

With the advent of the five way splits, there may be more than 25 dogs in the finals due to the requirement of having a minimum of three dogs per height.

Starters Final – Judged by Donna Tofts. The top nine 600, nine 500, three 380, three 320 and three 240 dogs will be able to qualify for the final. (27 dogs)

Novice Final – Judged by Lloyd Pallesen. The top eight 600, nine 500, three 380, three 320 and three 240 dogs will be able to qualify for the final. (26 dogs)

Intermediate Final – Judged by Sallie Remon. The top eight 600, ten 500, three 380, three 320 and three 240 dogs will be able to qualify for the final. (27 dogs)

Senior Final – Judged by Dean Crossthwaite. The top nine 600, nine 500, three 380, three 320 and three 240 dogs will be able to qualify for the final. (27 dogs)

Jumpers C Final – Judged by Liz Barlow. The top nine 600, seven 500, three 380, three 320, and three 240 dogs will be able to qualify for the final. (25 dogs)

Jumpers A Final – Judged by Emi Hinago. The top seven 600, eleven 500, three 380, three 320 and three 240 dogs will be able to qualify for the final. (27 dogs)

## Interclub rules

**Interclub Teams** The Interclub team will be run as per Agility Regulation 9.3.

The winning team will be the team which gains the most points over all standard Agility 2 classes at the NZDAC on Saturday, 26 October on the following basis: First place 10 points down to 10th place one point, with team members gaining an additional one point for clear round regardless of the place gained in the class.

### The Regulations

#### “9.3 Rules for Conduct of Interclub Agility Competition

9.3.1 Number of Teams All registered Agility societies may enter a maximum of two teams.

9.3.2 Composition of Teams Teams will comprise 3 dogs and 3 handlers with no more than two dogs eligible for the same classes in any one team.

9.3.3 Format of Interclub Agility Competition The Competition may either be run in either one of the following methods

9.3.3.1 A separate Interclub Teams Event may be scheduled and may be run on such course or courses as proposed by the NZDAC Organising Committee and approved by the NZKC Agility Committee. The method of defining the winning team must be included in the schedule for the NZDAC.

9.3.3.2 The Interclub Teams Competition may be decided by the calculation of places gained by Team members in such standard classes at the NZDAC as the NZDAC Organising Committee may decide.

9.3.3.3 If the Interclub teams competition is to be run over standard classes at the NZDAC, the following method of deciding the winning team will be used. The winning team will be that which gains the most points gained in such classes on the following basis. First place 10 points down to Tenth place 1 point with team members gaining an additional 1 point for a clear round regardless of the place gained in the class

9.3.4 Entry In One Team Only No dog or handler to be entered in more than one team.”

## Interzone profiles

### Zone 3

#### Erin Ball and Dice - **SENIOR**

Dice & I are very excited to be representing Z3 in the Senior position this year! This is Dice's 2nd time in the Interzone Team making the Intermediate position back in 2021, unfortunately we never ended up being able to step into the ring that year so that's the goal this time round.

Dice is such a Goofy Boy, super sweet & cuddly and loves to work & train.

We have dabbled in Obedience & Flygility, although Agility & Farmwork are his favourite.

Best of luck to everyone and may the 'Bars' be in your favor.

Itz Game On!!!!

## Nikayla Hart and Dreamer - **INTERMEDIATE**

Nikayla & AGCH JCH Chasing Dreams ADXA-Silver JAX GDX RN

2024 will be the second year for Dreamer and I to represent Zone 3 at NZDAC. I'm super excited to step out to play my favourite game again with my best girl, and thrilled to represent our zone in the Intermediate spot again. We are ready to take on the other zones with our teammates in what will surely be an epic battle for the trophy!

## Belinda Cherrie and Lexi - **NOVICE**

Lexi Bell – AKA Lex, Lexilicious, Lexifer, - she's a five year old Kelpie cross from ARAN Rescue, who joined our family as a puppy. We've been learning agility together for four years. Lexi is the best coach and always gives excellent feedback.

As well as agility Lexi loves sniffing out new walks, long plays at the beach and lounging around with the family.

## Kim Nicol and Hoot - **STARTERS**

He's a bit of a Hoot

Aka Hoot, my 2 year old Border Pap. We're a little late to the party after surgeries all round. Agility with Hoot is like a whole new sport for me - "He just goes" - and I try my hardest to get somewhere that'll help him.

I'm loving Starters while I learn how to drive. No matter what happens we'll have a good time trying.

## Zone 5

Reece and Jager - **SENIOR**

### Jäger – Zinc von Heisenberg - Senior – W666

Jäger is a German Shepherd with the speed of a greyhound and the enthusiasm of a puppy who just found out treats are a thing. He started his agility career at 2 years old, and let's just say, he's been leaving his handler in the dust ever since. Now, approaching his 4th birthday, Jäger has raced his way onto the Zone 5 team for NZDAC, where he's ready to show everyone just how fast a German Shepherd can be (spoiler: very fast).

When he's not sprinting through agility courses like he's on a mission, Jäger enjoys long walks, barking at absolutely nothing, and pretending he didn't hear the word "no.", while serenading the rest of the pack with his nose whistle orchestra and overly dramatic sighs. With his playful attitude and lightning reflexes, he's sure to bring both laughs and impressive runs to this year's NZDAC. Watch out—Jäger's on a roll!

Brent and Spice - **INTERMEDIATE**

Hi I am Brent and this Spice AKA Spy girl we are from Dunedin and are privilege to represent zone 5 in this year's NZDAC As the intermediate dog this is Spices 2<sup>nd</sup> time and my 3<sup>rd</sup> time on the teams Spice is my most honest and reliable dog in my team and she is known for saving my butt on a course many times we are excited for this year's NZDAC in Wellington and we wish all our fellow competitors good luck

## Alex and Rata - **NOVICE**

I'm Rata and I live at home with another border collie and spaniel. In my spare time I love running at the beach with all my friends and working with my mum. This is my first time representing Zone 5 in an agility team, last year we were in the Southern region obedience team at NDTA and we did pretty well despite the handicap of my handler. I'm hoping this year I can keep her in check and she remembers everything I have trained her to do. Good luck to everyone, go Zone 5!!

## Jason and Wave - **STARTERS**

Hi I'm Jason and this is my young dog Wave aka Dave or when naughty David!

We live just south of Dunedin in the country, Wave is so lucky as he gets to run, play, swim and hang out with us everyday while we run our business from home (oh and train agility) which he loves. His favourite thing to do is take something for a walk but not just a toy – a bathroom towel, a sheepskin rug, a dog Bed! That's when he gets called David! - he just shakes it like mad happy in his crazy BC world

We are excited be part of the Zone 5 team as the starters dog. No pressure Dave let's just shake it! shake it, shake it! Good luck everyone, GO ZONE 5!

## Zone 2

### Louise Sandford & Ash -**STARTERS**

- Haiku by Felicity Wheeler

We're super proud to be representing the best zone at NZDAC 2024. ShineBright Ignite the Spark - Ash 'the BorderPap' was bred in Taranaki, special & meant to be as that's where Louise's whanau comes from too. We live in Rotorua & our local club is the Rotorua Dog Training club. Ash made the zone team having not yet been to a champ show, he'll be 20 months old at DAC. He's a super wee dog & lots of fun to train & run. Ash wants to do his best 100% of the time and is very focussed when it's 'work time'. Really stoked to be able to show how impressive small dogs are on the NZDAC stage and showcase cross breeds and how incredible they are as agility dogs. Go zone 2!

### Natasha Hoogstraten and Boujee - **NOVICE**

Hi, I'm Natasha. My journey in agility began at the Mount Dog Club in late 2017 with my Lab Pointer X, Jade, who I wanted to teach some basic obedience.

Soon, I was hooked on agility and started competing not just with Jade but also with Splash, a pinecone-obsessed Heading dog who chose me to play the agility game with.

After competing for a few years and learning the ins and outs of agility I wanted my own 'agility' dog. There was a little Border Collie that I would see competing at agility called Crikey, "I want a dog like her" I said. Two years ago, I was fortunate enough to bring home a special little puppy from Crikey.

You may ask where her name comes from; for me, it means to live a life of luxury while remaining humble in character. This is Boujee— elegant and grounded, exceeding all my expectations.

This will be Boujee's first DAC and my second. I am thrilled to represent Zone 2 with her as Novice dog. Go Zone 2!!

## Heather McGrannachan and Sookie - INTERMEDIATE

Hi there, I'm Heather McGrannachan and this is Sookie.

We live on a 10 acre block, with my husband and 2 grown boys, a 14 year old chocolate border Rosie {acts 5 and pretends she's deaf}, with a few sheep and other attention seeking animals. Lived in sunny Hawkes Bay all my life, trained heading dogs for stock work or rehoming others. Been in the Hawkes Bay Dog Training Club for 25 years, doing agility for most of those, along with obedience and flygility so as you can gather I'm getting a bit long in the tooth now.

As if I didn't have enough to do, I compete in SheepDog Trials with my two 5 year old heading dogs Rowdy and Radar {2nd in 2023 NZ Tux Champs}, these 2 dogs are from the litter that I had from Boo who was starters team dog in 2018.

Sookie is a 6 year old heading bitch from a Wairoa farm.. She has one face for everything she does, doesn't get excited or hyped up. It must be the farm girl in her, just gets the job done. Loves everyone, doesn't matter if it's got 2 legs or 4. Always wants a cuddle or pat, loves anything that involves food or stealing or scavenging food when I'm not watching her {many treat bags have been destroyed} 🍌 I have a lot of fun running her as she is an all round nice steady dog that still keeps me on my toes. Go Zone 2.

## Edward Echulberg and Whisky - **SENIOR**

This is Matagouri Silver Birch, or as we know him, Whisky. He is a 7 year old Working Cocker Spaniel and an amazing companion and teammate. This will be our second time at NZDAC and our first time as part of the zone team. Whisky arrived in our lives as an 8 or 9 week old whirlwind! He had heaps of energy, lots of personality and could sniff out food from a mile away! There are many tales of his exploits and mishaps growing up, but those probably aren't fit for print! These days he is still a legendary food thief but has matured into the most chilled, friendly, patient and loving family dog. Whisky has taken me on an amazing agility adventure over the last few years and I feel very lucky to have found him, the sport and the great people I have trained alongside and learned from at the Napier Dog Training Club. We hope to do Zone 2 proud!

## Zone 4

Well, this Bio will be a little different than the past 7 years' worth... Once again Rapid has pulled a great weekend out of the bag and gained the Senior spot for Zone 4. She has represented every eligible year of her agility career (Bar one where I bet her myself with another dog lol) She really is my one in a million. DAC weekend will be the last time Rapid will be entered in Intermediate / Seniors and this will be her last NZDAC ever. It's sad to think about, but she's getting old. For anyone that has watched her before, you will know the psycho runs she has had over the past nearly 8 years. I'm excited to go out there one last time and try and bring the trophy back to Zone 4! A place it has not been since Rapids first ever DAC! Where she won the novice zone run, helping the team bring home the overall win! I can promise screaming, crazy and lots of fun from the both of us :D Let's go Zone 4!!

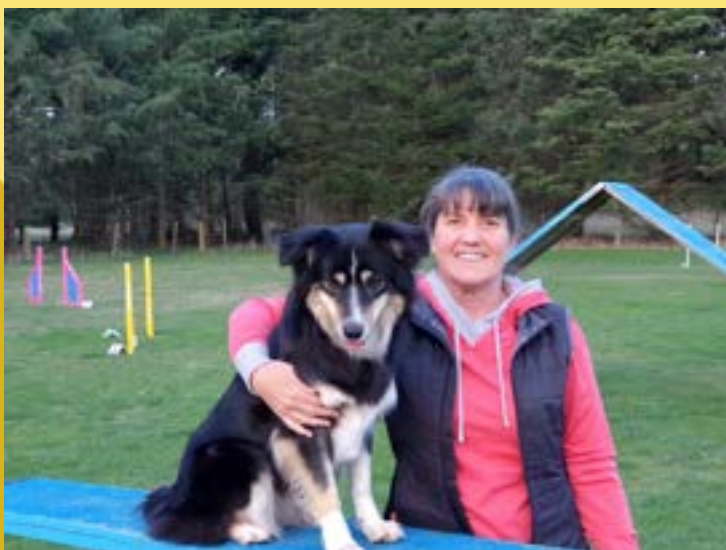

## Aimee and Willow - INTERMEDIATE

Hey! I'm Aimee and this is my 4 year old Border Collie, Willow! We are thrilled to be representing Zone 4 at NZDAC for the second time in the Intermediate spot! Willow and I have been competing for 2 years now and Agility sure is our passion, we love the thrill of learning and competing together. Willow is such an honest dog in the Agility ring and has always been a very consistent girl. There is still so much for us both to learn, but we hope to bring our energy and enthusiasm to the courses at NZDAC and have a whole lot of fun!

## Sheryl and Dezi - NOVICE

Hello everyone!  
I'm proud to introduce myself and my gorgeous wee partner, Dezi, to you all. I've been immersed in the world of agility for a little over 25 years (yep, that's a quarter-century of tireless training and joy!), and I've been involved in dog sports long before agility made its debut in New Zealand. Growing up, I was carted around obedience and conformation shows, so agility came as an exciting fun sport to enjoy with my own dogs. This year, I'm honoured to represent Zone

4 alongside my 2 year old Border Collie, Dezi.

Despite her small size, Dezi's personality is anything but. She's full of energy and brings a unique charm to everything she does—whether she's pretending to be a farm dog with her two brothers, Tide and Casey, or trying to manage our cats but of course that's a never-ending battle which the cats will always win.

Dezi may be the smallest dog I've ever owned, but she's undoubtedly the most spirited. Her lively energy and personality keep me on my toes and motivate me to grow and refine my skills as a handler. Beyond the agility course, she's a loyal companion who gives the best

cuddles and is always by my side.

We're both excited to be a part of this event and wish all the competitors the very best of luck. May the best dog win—or at the very least, look fabulous in the photos!

Looking forward to a fantastic competition!

## Jess and Obi - **STARTERS**

Hi my name is Obi, though I also get called Scooby Doo, Oobi Oo and Tooty Booty Boi (I think I swallowed a squeaky toy as a pup cause my booty is really squeaky). My hooman is called Jess, but I call her my number one treato dispenserer.

My paw-rents got me when I was just a little pup, I lived at the SPCA. I had a cruisy life sunbathing and eating all the treatos, and when I got bigger my mumma let me try this really cool game where I get to “jump” and “go tunnel” and do “weave-weave-weave”! I’ve been doing it for about 19 years of my doggy life now! Oh, and I would always get bribes after I did all my tricks running around the rope area, I don’t know what these so-called bribes are but they always taste really good!

My mum says I’m her first agility dog (I don’t know what “agility” means but it sounds boring), but I do know that we both have lots of fun learning and running around, even though mum is slow and never wants to share any of my treatos, but I like that cause I’m a labbo and treatos are life.

## Zone 1

### Caitlin and Enzyme - **SENIOR**

I've been involved in agility for over 20 years, starting in the era of collapsible tunnels, cross-overs, and tables—truly things of the past! My first dog of my own in this journey was Geuse, and I've had the privilege of running many dogs since. Currently, I have Seismic a 5 year old BC who is unfortunately out with an injury, and Enzyme, my naughty 4 year old borderpap.

Enzyme came into my life during a challenging period, and at first, I didn't expect her to be my serious agility dog due to my limited training time. However, Enzyme had other plans. While she might not be the most serious, she brings a lot of joy (and noise) and is pretty good at her job!

Enzyme is making her third consecutive appearance on the Zone 1 team this year. She is well known for her loud, energetic running and remarkable consistency on course - she's a small dog with a personality bigger than her ears. Though her ears might not always catch everything, she certainly knows how to make her presence known!

We're both thrilled to be back on the team in the Senior spot and aim to help Zone 1 bring home the trophy. You might not see us coming but you'll definitely hear us first!

## Lara and NexT - INTERMEDIATE

Hi I'm Lara Tompsett. I'm a member of Cambridge dog obedience club and very excited

to representing Zone 1 with my 3 year old border collie NexT.

NexT is a large 600 dog and the token big dog on our Zone 1 team of 320s

I have been involved with agility for over 14 years, and competing for 12 years. NexT is my 5 th agility dog . Most probably not the last.

I love competing at Dac. You see the best of the best, catch up with friends and play the game we all love with our best mates Have fun everyone. Go Zone 1

## Martyn Brennan and Oaty - NOVICE

I am thrilled to be representing Zone 1 this year with Oaty. Oaty is a three year old Cavalier King Charles spaniel whose hobbies including sleeping on my lap, agility and howling.

While I've been following my wife and her dogs around on the agility scene for four years now, Oaty is my first agility dog. This is our second NZDAC competing together and we hope to show that Cavaliers aren't just a pretty lap dog.

When I'm not doing agility, I can be found playing computer games, or just sitting and enjoying a beer over dinner.

## Tracy and Betty - **STARTERS**

Hi, I'm Tracy & this is my Border Terrier, Betty ( CH Otterpond Full Throttle ) She joined our family & her son, Jock, when she was 4yrs old & retired from breed showing. It took her a while to adjust to our noisy, busy house with 2 young boys & tempting tasty chickens next door! She's a real hunter & couldn't be trusted off lead or near any open doors. Now her favourite place is cuddled up with her boys on the couch or on their beds. There have been many laughs & frustrations with this little madam over the years, but she really loves her agility & all the adventures it brings.

At 11.5yrs old, she's older than all her teammates put together! I still can't believe that she's the Starters dog as I only went to trials for some practice & didn't even think to enter non comp as we would definitely be beaten by some Border Collies!

Like many agility folks, horses & competing was a very big part of my life in South Africa & the UK & it left a massive hole. Agility has filled that hole to overflowing & I absolutely love it & all the friends I've made & being involved in the Cambridge Club.

This will be my 2nd NZDAC & 1st time representing Zone 1 & I hope to do my zone proud.

## Zone 6

Stephanie and Winnie - **SENIOR**

Hi, my name is Stephanie Butler, who owns the loud and obnoxious dog called Winnie. Personally, I have been competing in the sport since I was 8 years old, so about 10 years now. However, I have been around Agility my whole life due to my Mum. I belong to the club Waikato Agility Group, also known as WAG.

Winnie is a 3 year old Beardie Cross, with conflicting personalities. She can be emotional, judgemental, enthusiastic, and the class clown all in a matter of seconds. Up until this year she has had a passionate hatred for water, pretty much anything that can get her wet. So, in my super supportive mind, I decided to use the forceful tactic of throwing one of her favourite toys out into a lake in the hope that she would go out and retrieve it. Luckily, she did. But, ever since then, her love for water has grown. We are still trying to tackle the hose, but you can never have it all!

I'm looking forward to NZDAC 2024, as I've had many highlights from the last Zone 3 Nationals at Mansfield, which was my first ever NZDAC. As this is my third NZDAC, I want to make the most of it, whether that means ribbons or experiences. The one thing I'm ultimately excited for is competing in the Team Trials, as I had the privilege in being a part of the winning Zone 6 team last year!! Which was an experience in itself. Very proud to be representing them again in the Senior ring with my special girl. Nonetheless, win or loose, I will always be bringing the best dogs home!

## Caitlin and Bella - INTERMEDIATE

Hi, my name is Caitlin Williams. I'm 16 and the owner of the honest and reliable Bella. Bella's a five year old Border Collie, and I got into agility with her, which we've now been competing in for 4 years. I will be representing JDT (Zone 6) as the intermediate dog this year at DAC. I am proud to belong to the Cambridge Dog Obedience Club.

Bella is always my "do anything" dog. She loves to work and does her very best to please me. Bella is the definition of a people's dog.

She will love anyone and look for attention from anyone but me. Although that's a completely different story if they are trying to run her, then she decides to worry about me.

This will be my second DAC and second time on the team, and I'm a mix of nervous and excited to be out representing everyone in JDT. I can't wait for the fun experiences at DAC, and let's see which amazing team brings home the trophy!

## Paige and Ocean - **NOVICE**

Hello! I'm Paige Yearbury, and together with Ocean, we will be representing Zone 6 novice this year at DAC. Ocean is my first agility dog, and the journey has been truly rewarding. I am thrilled to further our agility career and hope to share this passion with my kids someday. Ocean is such an affectionate Border Collie who will turn four in October. Over the years, both Ocean and I have learned a great deal from one another; she notices my mistakes and even helps me correct them. Ocean has an intense fascination with cows; her excitement is so overwhelming when she

spots them that it becomes a challenge to get her attention. I am absolutely thrilled for NZDAC 2024! This marks our second year competing at DAC and representing Zone 6. Last year, we participated as the starter's dog, so this year, stepping up to the novice dog category is an exciting advancement.

A standout moment in my agility journey was undoubtedly winning the Jumpers C 500 finals at DAC last year. Reflecting on our progress since we first began, it's incredible to see how much confidence we have both gained over the years.

## Kade and Nyx - **STARTERS**

Hi, I'm Kade. I'm 17 and this is my dog Nyx. I belong to Whangarei Dog Training Association and have been competing for about 18 months now. This is my first time going to DAC so I'm stoked and slightly terrified to be able to represent JDT (Zone 6) as the starters dog.

Nyx is a 3 year old Border Collie. I Began training with her last year as a borrowed dog then six months later I was lucky enough to be given the opportunity to "steal" her so I did. She has been such an awesome dog to train and compete with and I'm super proud of how we have grown as a team this past year. Nyx is commonly referred to in our house as a "stinky" because she is a foodie and loves eating anything, her favorites being fish guts dug out of the garden or lamb poo.

Goodluck to everyone competing at DAC and may the best team win :)
