Welcome to NZDAC 2025 Cromwell

BRENT COWIE CHAIR NZDAC COMMITTEE

Welcome to the 2025 NZ Dog Agility Championships, proudly hosted by Zone 5!

We are thrilled to have you here at the Cromwell racecourse nestled in the heart of central Otago. I have every confidence that both you and your dogs will thoroughly enjoy our championship event. The ground offers ample space, even with its seven competition rings and we are so lucky to be able to have this venue again and would like to kindly request that we treat this venue with the utmost respect. An event of this magnitude is the result of months of coordinated effort, and we are immensely grateful for the incredible support received in organizing this event.

Our foremost gratitude goes to our premier sponsor, Purina Pro Plan.

Please take a moment to peruse our catalogue as we would also like to acknowledge the numerous sponsors who made this event possible. Without the generosity of many individuals, clubs, agencies, and businesses, an event of this scale would not be achievable. Everyone's support is genuinely appreciated, and we hope you will consider returning the favour by supporting these groups in return. To our dedicated judges and volunteers, I want to express my gratitude in advance. We have assembled an exceptional team of judges ready to present challenging courses for you. So please extend your respect and kindness to them. I'd also like to extend massive thanks to the numerous individuals who have contributed to making this event a reality. Your hard work does not go unnoticed, and Zone 5 is fortunate to have such a wealth of talent and experience to draw upon, combined with the eagerness to roll up our sleeves and get the job done. For the committee and myself, this weekend represents the culmination of 18 months of dedicated effort.

Welcome to NZDAC 2025 Cromwell

VICTORIA NELSON DIRECTOR SECRETARY DOGS NEW ZEALAND

Having attended the Agility Committee's Clubs Conference at Ardmore in August, I saw firsthand the commitment and dedication of agility members who have stepped up to be part of the Dogs New Zealand organisational team to enhance and develop the sport they love. These unsung heroes work tirelessly to promote and improve their sport and are the mainstays of creating agility events and activities to benefit the many. The training weekend for Show Managers and Show Secretaries was a hive of activity in learning new processes, exchanging ideas and building a nationwide network of skilled members to support agility clubs and agility activities into the future. I expect these skills will be pre-eminent at NZDAC this year.

Having just returned from the National Dog Show, where the Agility Committees EC rep, Chris Richardson worked tirelessly on NDS administration and supporting the Junior Dog Handler competition, Dogs New Zealand is blessed to have members that can enjoy as many aspects of our canine activities as possible. It cannot be said that Dogs New Zealand members rest on their laurels, as there is a never-ending stream of new and ingenious ways to help promote the health and wellbeing of ourselves alongside our dogs. As we know, it always takes a village, and I thank the Agility Committee and their supporters for their dedication and commitment in organizing NZDAC 2025.

I very much hope to attend the NZDAC in the near future, the first 12 months of my tenure as Director Secretary have been overflowing with highlights and I would like to wish all the participants, officials, judges and supporters a safe, successful and fabulous NZDAC. And finally..... let's hope the weather is on the same page with these sentiments this year!

Welcome to NZDAC 2025 Cromwell

PAUL TAYLOR AGILITY COMMITTEE CHAIR

It's a great honour as Chair of The AC to be representing the members of the Agility Committee and everyone else in the agility community in congratulating the Zone 5 DAC organising committee for their hard work, put in by the smallest zone, to ensure the success of this 2025 NZDAC event.

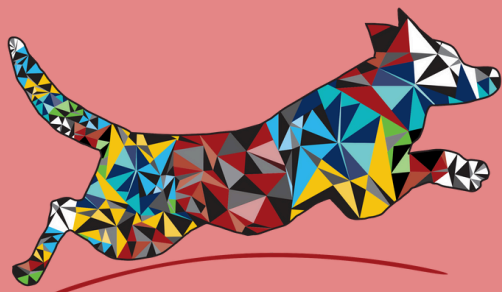

This year the venue is in one of the prettiest areas of the South Island, and everyone lucky enough to travel this far will, I am sure, have an amazing trip. Whilst the smallest zone in the country, Zone 5 are renowned for their exceptionally well organised events, and a special thank you to all the clubs, and helpers involved in the mammoth task of running this NZDAC.

This NZDAC is the first to host Hoopers – congratulations on this - and I'm sure acknowledgement of this will be forever remembered in the "history books".

I'm also honoured, along with all the other judges to have been asked to contribute to this DAC and we trust you will enjoy the course challenges we have worked hard to bring you.

No event can happen without sponsors, so I would like to thank Dogs NZ primary sponsor, PURINA PRO PLAN, for the support they so generously provide to NZDAC, this year they have been engaged to provide product and information that will be of use to all competitors, so remember to go and talk to Miranda for information on what is available. Thanks also to PD Pet Insurance who are also a Dogs NZ sponsor, they have sponsored a ring. To everyone else who has contributed to funding a successful event, I can't name you all, though I can assure you your contribution is acknowledged, welcome and so very appreciated.

Good luck to everyone that is travelling South. Travel safely, play well and have a great time. Looking forward to catching up with many of you over the competition and especially at the Friday night function.

Welcome to Cromwell

THINGS TO DO

Butchers Dam (35 mins drive):

Short loop through rocky outcrops and old ruins, perfect for an “I’ll just take a few photos” walk.

Bunny rating: 3/5 — Solid mid-tier bunny action.

Old Cromwell Town to

Bannockburn Bridge Track (5 mins drive):

Riverside wander linking the heritage precinct to Bannockburn. Flat, scenic, and good for cooling off paws.

Bunny rating: 2/5 — Manageable levels of temptation.

Bannockburn Sluicings Loop

(5 mins drive): Historic gold-mining gullies now perfect for off-duty exploration. Lots of dust, views, and possibly too many rabbits.

Bunny rating: 4/5 — High excitement, bring a lead and solid recall.

Arrowtown Millennium Walk

(about 50 mins drive): Gentle riverside walk through trees and history. Best done in autumn when the leaves and lighting are pure Instagram.

Bunny rating: 4/5 — Prime bunny-spotting territory.

Dog-Friendly Walks

Rated by Elsa, professional bunny enthusiast.

Rock Peak Track (45 mins drive):

For dogs who laugh in the face of steep climbs. Big sky, big views, and dramatic windswept fur guaranteed.

Bunny rating: 1/5 — Too high up; even rabbits have standards.

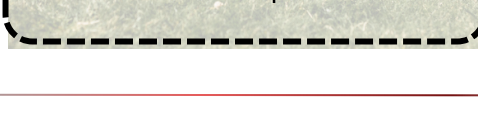

Lake Hayes Walkway (35 mins drive):

Flat, scenic, and great for social strolls with fellow dog people. Expect ducks, views, and admiration for your dog’s fluff.

Bunny rating: 4/5 — High numbers at dusk & dawn.

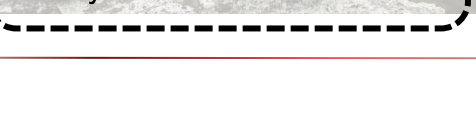

Additional duck temptations.

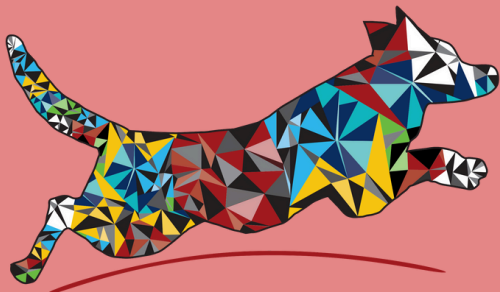

Kānuka Track (25 mins drive):

Quiet bush track with views over Lake Dunstan and plenty of new smells. Great for when you both need to decompress after a big agility day.

Bunny rating: 2/5 — Sporadic but sneaky.

Our Show Managers and Ring Managers will be wearing high-vis vests while they are on duty. Please do not approach them in their official capacity if they are not wearing their vest – this means they are competing with their dog.

EVENT NOTICES

Control of Dogs

Please ensure your dogs are always on a lead unless competing, in the practice ring or the exercise areas.

When unattended all dogs need to be securely contained in vehicles, trailers or crates. NO dogs are to be tied to the back of open vehicles, stakes, trailers or other items. We expect the public to be in attendance, so we need to ensure the safety of the public, your dog, and other dogs at the event.

You will also need to ensure that you have adequate ventilation and shade for your dogs where they are contained. Please come prepared for any weather, as committee members may ask you to relocate your dogs if they are loose or tethered.

No dogs are allowed in any interior areas of the racecourse building, including the toilets. No exceptions.

Off-Lead Exercise Areas

Dogs can be exercised off lead in the racecourse infield behind the carparking.

Dogs can also be exercised on the racetrack but must be on lead in the section of track immediately up to and between the pedestrian and vehicle crossings. If you are exercising your dogs off lead on the track, please put them on lead as you approach this area.

Dogs must be kept on lead around the rings, carparking and camping areas.

Dogs off lead must be under verbal control. Please pick up your dog poo and dispose of it in the bins.

Parking

Competitors who have purchased day tent sites have two parking spots behind their tent. There is unlimited parking behind the day tent parking. Please be courteous and considerate when parking.

There is only one vehicle access point to the ring area – this is marked on the site map. There is walking access only across the track between the ring area and the racecourse building and camping areas.

EVENT NOTICES

Health and Safety

An AED will be located in the PRO PLAN Trailer during the day. At night this will be located in the foyer of the ladies' toilets in the camping area (not the racecourse building).

All competitors and persons attending this event must follow all health and safety advice and directions given at the Event.

Please report any accidents, incidents or near misses to the Show Manager, Deputy Show Manager or the nearest Ring Manager.

Identified health and safety risks at this venue include (but are not limited to):

- An irrigation dam
- Irrigation ditches
- Adjacent airport/runway
- Horses and sheep
- Fencing – we have requested that electric fences are turned off but treat all electric fencing tape as live.
- Electrical hazards – cords and generators
- Vehicle traffic
- Rabbit holes and uneven ground

The weather can also create a dangerous environment. High winds may dislodge tree branches and have an effect on tents, including day tents. Competitors are advised to take down day tents at the end of each day's competition. Frost and sudden downpours of rain can also present hazards. In any of these conditions extreme care is required.

Forbidden Entry Areas:

- The storage area to the west of the racecourse which includes pavers, containers, old machinery and general building waste material.
- Lookout towers.

Competitors and attendees are responsible for the following:

1. Abiding by any guidelines communicated by the Organising Committee
2. The health and safety of dogs in their care
3. The health and safety of children in their care
4. Any loss of damage to any equipment used or owned by that person (excluding club-owned equipment)

EVENT NOTICES

Health and Safety (continued)

To mitigate the risk of fire spreading, all campers are required to ensure that sleeping units (e.g. caravans, motorhomes and tents) are at least 3m apart and all campers should have a fire extinguisher or fire blanket to hand. Any caravans or motorhomes connected to power must have a current electrical warrant of fitness.

Please **DRIVE SLOWLY** in all areas of the grounds – watch out for dogs and children.

EVENT NOTICES

Course Walking and Judging Times

The first course walk of each day for Session 1 will begin at 7:15am and finish at 7:55am. There will be a 5-minute break before judging starts at 8:00am.

For subsequent sessions, courses will be reset as soon as judging has finished in each ring and will be open for walking as soon as the judges have checked their courses.

Courses that are open for walking will have an "Open" flag displayed. Competitors are encouraged to walk courses as they open.

Note that there are no set course walks scheduled for Champion of Champions, JDT Handler of the Year, the Interzone and Finals. We anticipate that competitors will have sufficient time to walk courses before their runs. We will allow extra time if necessary.

Prizegiving will be held after each session, after which there will be 25 minutes of course walking, followed by a 5-minute break.

All courses in a session will begin at the same time. There are no set times for Sessions 2 and 3 to Start.

Start Line Procedure

Handlers must be ready to enter the ring as specified by the judge.

You are permitted to use a lead when entering the ring.

Take up a position on the approach side of the first obstacle, and if required, remove your dog's lead and await the judge's signal.

Once the judge signals readiness, verbally confirm your number with the scribe and commence your run promptly.

Exiting the Ring

Please ensure you use the designated exit point and have your dog on lead before exiting the collecting box.

When exiting the ring after your run, please use the designated exit point. If you decide to cut your run short, make your way to the collecting area, do not exit out the side of the ring.

Reward your dog, put their lead on, collect your belongings, and exit the area promptly. Be mindful that another dog will be finishing their run shortly.

Please keep your dog under control and on a lead to ensure the safety of all competitors and spectators.

EVENT NOTICES

Training in the Ring

You are welcome to finish your run after disqualification, but please refrain from excessive training such as repeating obstacles or sequences multiple times.

If a judge or ring manager asks you to leave the ring, please exit promptly by heading directly to the collecting area. Please consider our judges who will be standing in the ring for the entire class and the competitors waiting behind you.

Judges' Breaks

Judges' breaks have been scheduled into the running orders.

Late Scratchings and Changes of Handler

If you have a scratching or change of handler before course walking begins, please complete the Scratching and Change of Handler form at NZDAC HQ in the racecourse building. If you have a scratching after course walking has begun, please advise the call steward. If you have a last-minute change of handler, please advise the Scribe Assistant who will note this on your scribe sheet.

Running Orders for Marquee Events

Marquee events will run individually as follows:

On Friday Agility Champion of Champions will run first, followed by Junior Dog Training Handler of the Year, then Jumpers Champion of Champions.

The Interzone competition on Saturday will begin with Starters, followed by Novice, Intermediate then Senior.

The Finals running order is Novice, Senior, Starters, Intermediate, Jumpers C, Jumpers B, Jumpers A. This order minimises the possibility of a dog having back-to-back finals runs.

Results

Live, provisional results for classes in progress will be displayed on a big screen at the PRO PLAN trailer. Finalised results will be printed and displayed in the racecourse building. The Committee would like to thank PRO PLAN, Wireless Nation and Pete de Wit for making the live results system possible.

EVENT NOTICES

Prizegiving

Prizegiving will be held after each session. Everyone is encouraged to attend prizegiving – there will be ample opportunity to continue walking courses after prizegiving.

Other than Challenge Certificates, no certificates will be presented at prizegiving. Please collect your clear round certificates, AD, ADX and Hoopers qualifying certificates from our NZDAC HQ in the racecourse building. Any certificates not claimed by the end of the event will be disposed of.

PRO PLAN sponsorship can be collected from the PRO PLAN trailer after you have received your ribbons and cash prizes. Please take your prize envelope to collect your PRO PLAN sponsorship to ensure you receive the correct prize. For standard classes PRO PLAN have provided prizes for 1st to 3rd in all heights as well as JDT classes and Champion of Champions classes. There are also PRO PLAN prizes for the JDT Handler of the Year winners and runners up, those receiving Hoopers judges' choice awards, winners of the Club Teams and DAC Dash, winners of each height in the finals, the overall Finals winners and Top Dog winners.

The committee would like to take this opportunity to thank PRO PLAN for their very generous sponsorship of NZDAC 2025.

Pre-purchased Merchandise

Pre-purchased merchandise can be collected after 2pm on Thursday 23rd from the racecourse building.

Security

Please secure all your belongings. Members of the public will be attending and will be walking around and through the camping and parking areas. Be vigilant and report any suspicious behaviour.

KEVIN BURNETTE

Ah, NZDAC – the ultimate pressure cooker in our agility calendar. Whether I'm judging or competing, I absolutely love the energy this show brings. There's just something about it that really brings out the best in teamwork – or at least produces some excellent comedy when it doesn't.

I've been judging since 2013 and wow, things have changed! Dogs are faster, handlers have to be sharper, and courses have gone from "yeah, that was nice" to full-blown "hold-my-beer" levels of excitement. I like to set courses that offer options – you know, the kind that make you second-guess every life choice leading up to that start line. I want flow, I want skill, and I want to see teams bring their A-game... but let's be honest, that's often right before it all turns to custard.

At the end of the day, the best result for me isn't who stands on the podium – it's seeing both handler and dog walk off the course smiling, or at the very least, still on speaking terms.

Good luck, run hard, and above all – have fun out there! 🐾

Judge Bio

TIM CONOLLY

Hello Agility people of Kiwiana,

For those that don't know me, I have been involved in Agility for the last 20-ish years, starting when I was enticed down to the local club at Marylands Park, CHCH (CCOC). That's where I saw a very round Foxy scuttling around some jumps and being led over the A frame with the aid of food from the BBQ.

As I couldn't see greater speed coming from terriers without the aid of sausage, I was quickly drawn to the Border Collies, that at the time seemed to be the natural choice of the agility world & have enjoyed running them ever since.

Our family runs BCs and Kelpies, with me sticking to the easier path, I have competed with three BCs, Catch is my current demon of destruction. The Kelpies I find more challenging than challenges.

I was a former member of the awesome CCOC & MCDTC clubs and for the last 9 years a member of SDTC. (we don't need the awesome, because we already know).

Judging started for me about 10 years ago, when I tried staying at Ribbon Trial level, until eventually being encouraged into the real world of Champ show judging. Around this time shows became events...

Being from Christchurch I compete & judge in the South Island agility scene. With family in tow, we travel to most events in the South. It would be odd if we don't visit most SI clubs in any year. (Sorry Southland, maybe every 3 years for you).

Agility has progressed over the years, and with luck my course designs have kept up with the recent improvements & dare I say it, trends. I enjoy seeing the competitors work out the handling and then getting it right whilst running flat out. And yes, I like to make you run.

Agility is a brilliant sport, filled with lovely people and lovely dogs.

I look forward to seeing you all competing and with a smidge of luck, will see you at the prizegiving. May the best team win, or at least have fun trying to.

If not, there is always the BBQ.

Judge Bio

DAVE COOK

First and foremost, it's great to be back in Cromwell for what will no doubt be another memorable NZDAC. It's always an honour to be invited to judge at our national event, so thanks to the committee for the invitation.

About me:

Currently residing in the mighty Waikato. (Go chiefs...) But Otago will always be home. The agility voyage started for me in 2000. I've been fortunate enough to have some pretty honest team mates since then. Judging wise, I've been on the panel since 2007 and have enjoyed watching many great teams over the years.

Looking forward to judging many more at this year's event.

Good luck to all!

Judge Bio

JUSTINE DALE

Have fun!" This is what I tell people as they start my courses. So hopefully we all get to have some fun at Cromwell this year.

As a judge, my favourite aspect of standing in the middle of the field for extended periods is to watch dogs smile as they fly around the course enjoying themselves. Truly, I can see some dogs smile. This is why I try to encourage you to enjoy the course as you set out too. This has come back to bite me on several occasions though as many of my friends now yell at me to have fun as I muck up stuff with my dogs. All part of the reason we do this. If we're not here to enjoy life, we will miss a lot of the fun along the way. So hopefully you manage to find something fun in the designs I provide for you over the weekend.

This is my second NZDAC as a judge, and the thrill to be asked again was just as exciting as the first time. This is the biggest event in our country and it is an honour to be invited.

I have attended many NZDACs as a competitor, and the journey to and from the event with friends always adds to the atmosphere and excitement. NZDACs are a great place to make new friends and to catch up with the friends we now have throughout the country. So please do come and say "Hi, have fun" sometime during the weekend.

Judge Bio

CHRIS MOODY

I am very thrilled to return as a Judge at NZDAC Cromwell! It's a real honour to be judging at NZDAC in Cromwell again—especially after six years from the last Zone 5 NZDAC! Being invited back brings a sense of nostalgia and excitement, especially with some great classes to judge—it's a privilege I deeply appreciate.

I've been in the judging game for over a decade now, and wow, how agility has evolved! Looking back at some of my early courses really highlights just how quickly the sport has grown in creativity, complexity, and teamwork. To match that evolution, I'm cooking up some fun and thoughtful challenges designed to truly test the skills of both handlers and dogs—because NZDAC is all about celebrating the very best of our sport.

I always try to design courses that allow for all kinds of handling styles – the slow and the fast, the fancy and the simple, whatever floats your boat. What really keeps it fun is watching how people's perspectives shift—what they think during the course walk versus how it actually plays out when they run it. There's always a surprise or two, and that's part of the magic.

Outside the judging ring, I work with two energetic Border Collies, Tig and Veela. They keep me on my toes and give me a great understanding of how courses play out across all levels. Dogs have been a constant in my life, but I officially began my own journey in 2003 with a Rough Coated Collie—and it's been an amazing ride ever since. Some highlights include winning into Senior, Jumpers A and Games A grade also with a very recent Jumpers Challenge.

I can't wait to see the talent, passion, and energy on display this year. Let's make Cromwell 2025 a NZDAC to remember and best of luck to you all, run hard and finally, have fun!

NZDAC, there is nothing quite like the electrifying atmosphere it creates — a celebration of triumphs big and small, whether it's a flawless round, overcoming a challenge, a finals victory, or the proud moment a team lifts the trophy. It remains the ultimate stage to showcase the very best of agility talent from across the country.

My journey in dog sports began over two decades ago. I started in obedience training in 1995, by 1997, agility had truly captured my heart with its fast-paced, dynamic nature. In 2009, I joined the Agility Judges Panel, opening the door to judging events throughout New Zealand and multiple opportunities across the Tasman in Australia. Alongside judging, I have continued to compete with my Border Collies & now Borderpap, maintaining my love of life on both sides of the ring. Over the years, I've also had the privilege of serving as President of Hawera Dog Training Club, Chair of the Dog Agility Committee, and Chair of the 2018 NZDAC — roles that have deepened my appreciation for our sport and community.

Outside of agility, I work as an IT Manager and Senior Systems Engineer, roles that fuel my passion for continual learning and embracing new challenges. Family is equally central to my life: my partner Catherine and our two children, Kyra and Corban, share our love of dogs. Our household is very much alive with the energy of our nine dogs, soon to be ten!

I am sincerely grateful to the NZDAC 2025 organising committee for inviting me to judge again at this premier event. It is truly a privilege and an honour. I look forward to catching up with familiar faces, meeting new ones, and celebrating the incredible bond between handlers and their dogs.

Wishing you all the very best for an unforgettable NZDAC 2025 — both in the ring and beyond.

Word on the street is, if you follow my directions you'll end up dogging in the wrong part of town, and while that may be accurate outside the ring, I strive for a more linear (though mentally taxing) adventure for you and your mutt.

For those who braved my brightly coloured wardrobe at the last Zone 5 DAC, you'll know I like to keep things interesting. This isn't the Breed Nationals – there is only room in the agility ring for one oversized sparkly mirror ball, so it's going to be me.

Clear communication gets rewarded, teamwork gets celebrated, and bribes will get you anything. Not many people make the mistake of inviting me back, but here we are, back for a second go, fuelled by copious amounts of wine and caffeine and the satisfaction of watching you brilliantly solve my diabolical puzzles, or ass over in the process.

I just hope I can remember this one.

Judge Bio

ALLAN ROHDE

Thank you to the Zone 5 NZDAC committee for inviting me to judge at this year's NZDAC.

It is always an honour to judge at a NZDAC. Many of you know me from my long involvement in various aspects of dog sports, so I won't go into details about my background.

currently compete with just one dog, Kruze. He is enjoyable to work with, learns quickly, and is very reliable. He enjoys working for you, making training easier. He enjoys water and knows where the taps are at many clubs he has competed at over the years. If you are not careful, he completes his run and then makes a beeline to the tap. Kruze is over nine now and not that far off retirement. As he has nothing left to prove, my plan is just to enjoy the time he has left in the ring.

Course design has changed a lot over the years and more so in recent years. It can be challenging to design a course that is enjoyable, and achievable, for the variety of handlers we have in NZ. I hope my courses achieve this over the NZDAC weekend. I would also like to wish all competitors the best of luck for the competition!

See you all at the DAC.

ISOBEL SYME

To those who don't know me, I first started agility at 18 years of age at CCATS – just a couple of years ago! It was pretty inevitable that I followed in my dad's footsteps and passion of various dog sports: first obedience and then ... agility started. And as they say, the rest is history!

Over the years I have been actively involved in all of the clubs I have been part of – CCATS, Mid Canterbury, Taupo and now Selwyn – either serving on committees, sub-committees, instructing, and also as a measurer. Way back in 1993 I decided to become a Judge as another way of putting something back into our sport – looking at our current panel, I would be one of the longest serving judges.

The two things I enjoy most about judging is watching and judging the new handlers and their dogs, competing at their first show, and then going from strength to strength, and then graduating through the grades. And at the other end of the end of the scale, we have some totally amazing combinations – that are just pure magic to watch!

Along the way, I have met some great people who are now lifelong friends. And we have had some great fun.

My first dog was Diva – a Weimaraner, the second dog was Asti – heading dog; both equally stubborn bitches who taught me a lot along the way. But, at the same time, nothing to prepare for Dram a Red Border Collie who thought Agility was created purely for his entertainment and gave 200% to any course he tackled, a total mummy's boy. Ice, my current boy, is a Blue Merle Border collie. He is also a bit of a mummy's boy who loves cuddles. A good friend told me Ice stands for Incredibly Capable Eventually - I live in hope – but wouldn't trade him for the world!

Thank you to the Zone 5 DAC Committee for inviting me to judge this year's event.

Good luck to all – Remember you take the best dog home at the end of the weekend!

PAUL TAYLOR

I am honoured to be included in the 2025 judges' line up, thanks to the Zone 5 organising committee for this wonderful opportunity. My last Zone 5 DAC judging appointment was at Gore in 2014 and having not been to the Cromwell venue before, I am really looking forward to it. The last time I spent any time in Cromwell was during one of my many trips to Central Otago visiting orchards or swimming pools during my younger years growing up in Queenstown (sometime last century but that is all that I will say on that topic!)

I have been involved in agility since 1990 and had started judge's training by the end of that decade. I initially started off with a rehomed dog and have now graduated onto border collies which keeps me very busy. I really enjoy watching how people and their dogs negotiate courses that I have designed. I always try to include options so that there is a challenge to do it faster or smarter than other people to achieve the ultimate run, while providing variety for all the sideline judges (AKA spectators/supporters).

I really love the atmosphere of DAC and look forward to catching up with the many agility friends that I have made over the years. As always, Jude and I will be parked in the camper and will welcome visitors throughout the show.

Good luck to everyone and remember that regardless of how the run goes, you always go home with the best dog. See you in October!!

Chris & Cyrus

Let's be honest, I'm not sure how the hell we got here. I had a plan, and that plan's name was Ledger. But Cyrus, my 4- year-old dumb blonde—I mean, yellow Labrador had other ideas.

After a rocky start with his Addison's diagnosis and a period of uncertainty about whether agility was a fun thing for him anymore, he woke up on the morning of team trials and basically said, "@#\$*#@ yeah dad, Ledger who?, I've got this."

Anyone who knows me, knows I enjoy being in the ring... However, nothing prepares you for the moment your "just for un" dog decides he's a serious competitor and wants to show it o at the biggest Agility event of the year. Cyrus' journey back to the sport has been a long one, but in the last six months, he's rediscovered his mojo and is putting his all into every run—well, at least "he did at training".

So, here we are, representing Zone 1 in Stutters. I will provide the questionable fashion sense and the inappropriate jokes; Cyrus will provide the lack of talent that a true champion holds, and together, we will be proof that the best-laid plans are the ones that go wonderfully, wildly wrong.

NOVICE

Cath Brennan & Waiata

When I was asked to put together a bio for the NZDAC catalogue my first thought was to turn to a trusted bunch of friends whose advice is usually pretty solid. They suggested to write it from Wai's perspective, so here we are...

Chee wabbit wabbit CHIIICKENNNNNNNNN! (tunnel vision)

Apparently, that just won't do it for a bio, so back to the drawing board it is. Wai Wai (or Waiata) is a 3 year old working cocker spaniel all the way from Australia. I remember collecting her from the pet transporter at Auckland airport and feeling that immediate and very strong connection with her. She is 100% snuggle bug, 100% hummingbird and 100% firecracker. You never know quite what to expect from one moment to the next. Her "likes" include cheese and chasing afer and retrieving things.

I'm a 40-something year old human all the way from England. I stepped off the aeroplane and onto New Zealand soil some 23 years ago and have not looked back. I am 0% snuggle bug, 95% hummingbird and only about 75% firecracker. My "likes" include training my dogs, playing at agility, playing at agility judging and designing and tinkering with 3D printed things. I do not like chasing aUer and retrieving things, so unlike with my earlier dogs, I took the time to teach Wai to retrieve her own food ball and return it to me. I had better not put one in her bucket...

Hayley & Script

Meet Script!

Also known as Scrippy, Hippo, or Noodle. Script is a 4-year-old Border Collie bred right here at home. She was originally kept with hopes of being a smaller Border Collie—but Script had other plans and just kept growing legs! Now she's one of the tallest in the bunch.

Script is a sweet, easy going girl who's perfectly content with a day full of eating and sleeping. Her hobbies include: Watching light reflections like it's her favourite TV show, Sniffing things like a tiny detective at scent competition, Pretending she hasn't been fed (she has).

I've been involved in agility for many years and have represented the team multiple times before—but this will be Script's first time stepping into the spotlight.

Good luck to everyone competing!

SENIOR

Caitlin & Enzyme

Enzyme is back in the Zone 1 Senior spot for another year. This is her fourth NZDAC and the fourth time she's been on the team - she's consistent, I'll give her that!

Enzyme is a 5 year old borderpap who likes to make her presence well known with her constant barking in the ring. She's super speedy but sometimes a little too shouty to hear what I'm saying. She loves playing the agility game, even more now that we've done away with her stopped dogwalk. Her least favourite obstacle is the seesaw because she believes that stopping is dumb when you can just keep running.

This will be my first Zone 5 NZDAC as a competitor and I'm looking forward to seeing a bit more of the South Island. The last Zone 5 event I went to was the 1999 NDTA as an 11 month old baby, so it's safe to say I don't have any memory of that trip!

We hope we can play our part in getting the trophy back into Zone 1 as it's about time that it comes back!

ZONE 2

TEAM

STARTERS

Sue Whitwell & Jack

Hi everyone,

My name is Sue Whitwell AKA Auntie Sue. I have been in and around the agility rings for a little while. This is the third time that I will have the honour of representing Zone 2 with one of my Australian working kelpies: 2019, 2023 and now in 2025. Edge, Jacks big brother went to the last Cromwell DAC and I am very pleased that Jack will follow in his footsteps.

I live in the beautiful Bay of Plenty and enjoy the many walks, both beach and bush available, with my 3 dogs. Illawarra Cracker Jack is 2 years old and really fun to run. He is tall at 580mm but slight of build at 19 kilo's. The cuddliest dog I have ever had, also the hardest. I am so proud of the young dog, he has not got this far without some truly difficult challenges.

Looking forward to what promises to be a fast roller coaster ride.

NOVICE

Hannah & Rollo

Hi there! I'm Hannah and this is Rollo, my 6-year-old chocolate labradoodle.

We started our agility journey in 2022 and haven't looked back since! Even so I now have another doodle on our team, I get some weird looks when I tell people I do dog sports with labradoodles but wouldn't have it any other way.

Don't be fooled by his cute teddy-bear looks — behind those fluffy curls is a methodical little planner with a cheeky streak a mile wide. His favorite toy? Anything Tanja has in her bag... bonus points for rabbit fur! Rollo by name, Roll-O by nature! If you see him take a tumble mid-course, don't worry — it's all part of his master plan... well, at least his plan.

This is our very first time competing in the Teams event, and it's extra special to be achieving this with my first-ever agility dog. We're thrilled to represent Zone 2 and will do our best to make you proud!

ZONE 2

TEAM

INTERMEDIATE

Lionel Russell and Indy

We are into our second year of this sport and loving it. We missed out on being in the team for Zone 2 last year by one point Starter/ Novice so was my mission to come back and try again this year although we are now Intermediate/Senior.

Indy is a Cavoodle pocket rocket but can be timid at times. Loves to chase tennis balls, run agility and pleasing mum and dad. Dad is still trying to get his head around getting his handling skills down pat.

She is a very smart little dog and has certainly fixed up some of my directional stuff ups on many occasions. Indy can frighten easily and tends to shy away from strangers and big dogs.

This will be our second DAC after doing well in last years mud fest in Upper Hutt. Looking forward to the challenge in Cromwell. Go Zone 2

SENIOR

Jess Loye and Raines

Raines and I are very proud to be representing zone 2 in senior this year. This is our first time in the team and we'll try our best to do our zone proud.

Raines is a 6 year old border collie and my absolute heart dog. He is loyal to a fault and full of life, always bringing a smile to my face. He has saved me in countless ways and made many dreams of mine come true. I have dreamed of owning a border collie for as long as I can remember and I think it's safe to say he's made me love the breed even more. He hasn't always been easy but I wouldn't change him for the world.

Those who truly know Raines know how many funny quirks he has like squealing in excitement when he sees his favourite people. Everyone has always told me that he truly makes you feel special and so loved. I truly believe I am the luckiest person alive as I get to have Raines by my side everyday.

Bring on DAC 2025!

ZONE 3

TEAM

STARTERS

Erin Ball & Critta

My name is Erin & this is Critta – together we are representing Zone 3 in the Starters event.

Critta (Ohutu Spyda's Lil Critta JDX) is a 2 year old Border Collie - with a hint of NZ Heading Dog. We started competing in March 2025 with a few jumpers shows. She took it all in her stride and went from strength to strength – graduating from JC to JB in just two shows and then from JB to JA in one weekend.

She is an extremely special Spyda baby made in the image of Mist (RIP July 2025). To have the chance to try again with the best dog of my life (knowing what I do now) has been a big emotional rollercoaster.

Critta has the same personality, understanding and natural skills Mist had. So I feel like I'm back running with my "Comfy Pair of Slippers".

Critta and I are excited to run at our first NZDAC together.

NOVICE

Kiana Burkett & Sassie

Hi, I'm Kiana with my girl Sassie (NakiBorders Sasy B Sasquatch ADX JDX) and we are both born and bred in Taranaki.

She's my best mate and the dog who's helped me through some of the darkest days of my life. Sassie has been my constant – my sass, my laughter, and my reason to keep going when it felt impossible.

Our agility journey hasn't been straightforward. It took us three years and plenty of setbacks just to learn how to weave, but we never gave up on each other. Every obstacle we've worked through has only made us stronger as a team. And while it hasn't always been easy, the rest has been absolutely beautiful.

Agility has given us so much – adventures around the country, amazing friendships, and countless memories – but the real gift is the bond I share with Sassie. No matter what happens on the course, just getting to run alongside her is already the biggest win for me. I'm proud to be representing Zone 3 at NZDAC 2025 in Novice, and even prouder to be doing it with Sassie by my side.

ZONE 3

TEAM

INTERMEDIATE **Janice Aldridge & Jordie**

Hello, I'm Janice and together with Jordie we are representing Zone 3 in Intermediate at NZDAC 2025.

Jordie (JCh FDCh Jordie ADX JAXB GDX) is a 7 year old NZ Heading Dog and a big smooch. He loves chasing tennis balls and racing the cars down my fence line when he (big escape artist) gets out of his run. He would have loved to be a sheep dog trialist but alas I have no sheep for him to practise on - hence he will round up the calves and eye the alpaca instead.

This is the first time I've been in the team. I'm the "old lady" at 60yrs and have been doing agility for 10 years (after getting into this wonderful sport through a workmate). I belong to North Taranaki Dog Training Club, where I'm now an instructor. In my spare time I'm a Medical Scientist at Taranaki Hospital, run a Speckle Park cattle stud and shear alpacas in the early summer, all while trying to make time to train my dogs. Good luck to all the teams competing - and everyone else - remember to have fun with your dogs at NZDAC 2025.

SENIOR **Nikayla Hart & Dreamer**

As the time for NZDAC comes around again, Dreamer (AgCh JCh Chasing Dreams ADXA-S JAX GDX RN) and I are stoked to be representing Zone 3 for the third year in a row - this time in Senior. It will be a big step up from Intermediate, but we are prepared to go out and give it all we've got!

A little bit about us - a pair from Taranaki, with skills suited perfectly for each other. Dreamer is the most adaptable little dog who can go from one extreme to another - should it be running contacts one moment and stopped the next, through to having me handling the course with her or being worked from a distance - she can do it all.

I'm so excited to step out there again with my perfect teammate!

ZONE 4

TEAM

STARTERS

Gail & Zieanna

My name is Gail, and I compete with my Black Belgium German Shepherd Cross Zieanna who is 2 years old.

This year we have competed in Rally-O, Obedience, and Agility in multiple competitions throughout this year. This will be Zieanna's first time at Nationals so looking forward to how she gets on.

Excited for nationals and grateful to be picked in this team.

NOVICE

Kathryn & Quattro

Meet 'Quattro', my special, home-bred, loyal companion with a special charm. Aptly named 'Schondara Four Times th' Charm'. She was chosen for her calm demeanour, intelligence, and willingness to please.

We only starting our agility journey together this year, Quattro is improving, and she puts her heart and soul into every run. A versatile wee girl, she has already achieved her Gold- 'Canine Good Citizen' award, has recently moved up to 'Advance' searches in scenting, and also dabbles in Rally-O. Quattro enjoys life in Brooklands where she is spoilt for choice – either a run on the beach, forage in the forest, or (her favourite) a bike-blat around the lagoon track.

We are proud to be representing Zone 4 as the Novice dog and are looking forward to having fun with the team at the 2025 NZDAC

ZONE 4

TEAM

INTERMEDIATE

Tyler & Maisy

Hi, I'm Tyler, and together with my Schnoodle, Maisy, we'll be representing Zone 4 in the Intermediate class. Maisy is seven years old and my very first dog. From the beginning she's been eager to learn, quick to master new skills, and absolutely perfect (for me) in every way.

We've been competing for five years now. Earning our Jumpers Champion title a little over a year ago, and Agility Champion earlier this year. What began as an excuse to keep learning has now well and truly taken over our lives. Outside the ring, Maisy and I are keen runners, having completed half-marathons together, and even featuring on the 32km medal for the 4 Paws Marathon.

Maisy often joins me at work in Christchurch, where we stroll through the city together on our lunch breaks, spreading smiles to everyone who notices her. This will be our fourth NZDAC. Last year, we stepped in as the reserve for Senior; this year, we're back to give it everything we've got, and hopefully bringing the trophy home to Zone 4!

SENIOR

Aimee & Willow

Hi, my name is Aimee, and I compete with my 5-year-old Border Collie, Willow.

This year Willow became a Dual Champion, which has been one of our proudest achievements together.

We're excited to be representing Zone 4 at Nationals once again, this time in the senior spot. It's our third year on the Zone team, having competed twice before in the intermediate spot. I couldn't be prouder of Willow and can't wait to see what this Nationals brings for us!

ZONE 5

TEAM

STARTERS

Louise Marsh & Bond

I'm beyond thrilled to be back at NZDAC with my own dog for the first time since Rakaia 2016 — and this year, my teammate is none other than the secret agent himself: Bond, James Bond.

At just 22 months old, this Borderpap has already earned his License to Thrill. Suave, stylish, and a natural showman, Bond turns heads wherever he goes — especially those of the ladies. He's The Spy Who Loves Me and definitely knows how to work a crowd. Whether he's flying through the course or pulling a trick or two from his sleeve, he's always on a mission.

At NZDAC, this is No Time to Die — Bond is on a top-secret Mission: lead Zone 5 to victory in the team's event. After all, You Only Live Twice, and Bond intends to make this run count. The mission is already decoded, and when complete, there's only one way for a true agent to celebrate: with a Martini — shaken, not stirred.

NOVICE

Teodora Georgescu & Roland

Orange is the new black

I would have liked to start this bio by saying that I have been doing agility since I was 7 years old, when I was wearing an eye patch and stumbling my way through post-communist Romania. But sadly, Roland and I have equally stumbled into this team thing in the same way that I stumbled upon agility: accidentally, without much skill but with a lot of enthusiasm.

Roland is only my second ever dog, after the loud cloud that you might occasionally see me run. He is named after a character in Schitt's Creek, because he may initially be slightly irksome, but one eventually discovers he is rather sweet and he grows on you. And because he is orange of course.

You might have guessed that this is our first time on the team, and while we are both very injury-prone, we promise to do our best and represent our zone with, well, lots of enthusiasm.

ZONE 5

TEAM

INTERMEDIATE

Richard Powley & Ember

Hi, I'm Richard, and I'm proud to introduce Ember, my 6-year-old Australian Kelpie. Ember is absolutely passionate about agility, and she makes sure the whole world knows it—usually by announcing our arrival well before we even reach the ring.

We're excited to be back as part of the Zone 5 team for the third time, with Ember now as our Intermediate dog. Watching her progress over the seasons has been a privilege—rehomed as a very overweight 7-month-old, she's grown in skill and confidence with every challenge. Each event brings new lessons for both of us, and I couldn't ask for a better teammate on the course.

Agility is about more than competition—it's about partnership, laughter, and community! We support each other, share knowledge, and build a stronger team. This year, our fantastic team is ready for some thrilling runs—and the real magic comes from the bonds we forge and the adventures we share with our furry friends!

Wishing everyone the best for the team event—Go Zone 5!

SENIOR

Helena Akesson & Rango

Hi, I'm Helena and this is my rescue dog, Rango, and we are excited to represent zone 5 this year. I started doing agility somewhere around 2012, but I've never been on a team before. I found Rango, through a rescue organization, in 2019 when he ended up in one of the council pounds in Auckland. He is most likely a Fox terrier cross, he's probably about 8 years old and he's definitely got a big personality.

As soon as I met him, I knew he was going to love agility. He snuck into the 500s only by a few millimeters, but what he lacks in stature he makes up for in noise and enthusiasm. He competes in Rally-O, Treibball and Scent work as well, and he only has two settings, full noise or asleep. No matter what sport we're doing, he sure keeps me on my toes and the crowd entertained.

ZONE 6

TEAM

STARTERS

Fern & Puzzle

Hi my name is Fern. I am ten years old and I live in Whitianga. I have my own dog called Puzzle, she is a border collie crossed with a german spitz. We rehomed her when she was sixteen months old. She turned two in May.

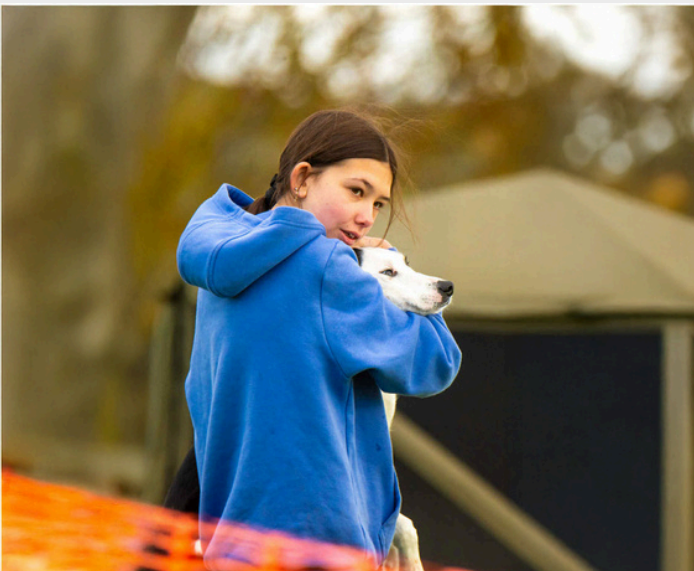

Puzzle is very new at agility. I have been doing agility as much as I can, although I did not have my own dog, whenever there was JDT I would use my Mums dogs. I enjoyed going to agility events with my Mum and running her dogs, which is why I kept asking for a dog of my own that I could compete with. My Mum started teaching me a front cross when I was about five so I have kind of been doing agility ever since.

My goal before DAC is to have Puzzle doing speedy and accurate weaves, and have her doing perfect contacts. My goal at DAC is to get at least one clear round. Then I would be so proud of Puzzle, just as proud as I was of us when Puzzle and I made the JDT team. Since Puzzle has only been doing agility for about nine months, she has not got many clear rounds especially when she does zoomies in the ring but we have managed to get 1 clear round which was a 1st in Jumpers C and we also have a 3rd in Jumpers C on 5 faults. I love my "Fuzzy Puzzle" and look forward to our future together.

NOVICE

Sarah & Marley

I'm very excited to be representing zone 6 with Marley as the novice dog!

I have not previously been a part of a zone team, nor have I ever trialed for one so I am grateful to have the opportunity to be a part of the JDT team, especially at my very first NZDAC! I started agility in August of 2023 when I was 14. Originally, I was interested in sheep dog trials so when I signed up for a foundation course with my 11-month-old working pup (Marley), I didn't have high expectations as he had previously only left the farm for vet appointments. He struggled with the new environment at first, but after staying consistent with going to trainings and the support of other club members, he got more and more focus. After going to my first JDT camp in January of 2024, I was very much influenced to keep doing agility.

A funny memory I have with Marley is at our first show in June last year (OCTC indoors). Marley noticed the group of people in the stands halfway through one of our runs and decided to scale the quite tall arena wall into the crowd. This has turned into a Marley tradition as for the second year in a row, he did it again. My goals for DAC this year mainly consist of getting my younger dog more confident in the ring and around all the commotion that comes with DAC as she can be nervous at times!

ZONE 6

TEAM

INTERMEDIATE **Alexus & Basil**

I am super excited to be competing at this year's NZDAC!

This year is special as Basil and I will be competing as the Zone 6 (JDT) Intermediate Dog. I originally started my agility career in 2020, going to Feilding Dog Training Club with my German Shepherd, Snow. Since then I have been hooked! Many wonderful people (you know who you are) allowed me to borrow their dogs and take them to shows. Finally, I was ready to commit to my own agility dog, and brought Basil home in 2021. It's never been a dull moment.

Basil is a one of a kind dog. He has taught me so much both as a handler and trainer. Starting agility the same year I brought him home, he quickly made his way through the grades. In 2022, we competed at our second NZDAC as the Zone 6 Novice dog. It's come a full circle. Basil is now both an Agility and Jumpers champion (thanks to my amazing trainers), and here we are again, competing as the Zone 6 (JDT) Intermediate Team Dog.

We will give it our all, but most importantly, have fun. Go Zone 6!

SENIOR **Jess & Zoom**

I'm so proud to be representing Zone 6 in the Senior spot at NZDAC with my dog Zoom!

This is a really special achievement for me, as it's only my second time on the JDT team. The first was five years ago with Coco, who originally belonged to my brother. Being here now with my very own dog, who I've trained from a puppy makes it extra special! I've been around agility since I was 9, but started competing when I was about 12. What I love most about agility is the incredible community, getting to spend time with such supportive people makes agility even more fun! One of the proudest moments of my journey with Zoom has been earning his Jumpers Grand Champion title. I never imagined achieving something like that with my first agility dog, so it's a memory I'll treasure forever.

A funny quirk Zoom has is that he's head over heels for the Zone 4 Senior dog. If she runs clear before him, there's a 99% chance he'll follow suit and run clear as well!! At NZDAC my goals are to run clear in Agility Champ of Champs, and for my youngest dog to nail all his contacts!

AGILITY & JUMPERS FINALS

The winners of each height class automatically qualify for the final.

Placegetters will receive points: 2nd = 9 points, 3rd = 5 points, 4th = 3 points, 5th = 1 point.

There will be approximately 25 dogs in each final, with at least three dogs in each height class. The winner of each height in each class automatically progresses to the final, then the dogs with the most points may also qualify for the final.

As Jumpers A 1 is split three ways and Jumpers A 2 and A 3 are split four ways, all three Jumpers A classes will be treated as if split four ways.

The numbers of each height in the finals for each class will be posted on the results board.

INTERCLUB AND DAC DASH TEAMS COMPETITION

Interclub Rules

sponsored by Counties Dog Training Club

The Interclub team will be run as per Agility Regulation 9.3. The winning team will be the team which gains the most points over all standard Agility 2 classes at the NZDAC on Saturday, 25 October on the following basis: First place 10 points down to 10th place one point, with team members gaining an additional one point for clear round regardless of the place gained in the class.

The Regulations

"9.3 Rules for Conduct of Interclub Agility Competition

9.3.1 Number of Teams

All registered Agility societies may enter a maximum of two teams.

9.3.2 Composition of Teams

Teams will comprise 3 dogs and 3 handlers with no more than two dogs eligible for same classes in one team

9.3.3 Format of Interclub Agility Competition

The Competition may either be run in either one of the following methods:

9.3.3.1 A separate Interclub Teams Event may be scheduled and may be run on such course or courses as proposed by the NZDAC Organising Committee and approved by the NZKC Agility Committee. The method of defining the winning team must be included in the schedule for the NZDAC.

9.3.3.2 The Interclub Teams Competition may be decided by the calculation of places gained by Team members in such standard classes at the NZDAC as the NZDAC Organising Committee may decide.

9.3.3.3 If the Interclub teams competition is to be run over standard classes at the NZDAC, the following method of deciding the winning team will be used. The winning team will be that which gains the most points gained in such classes on the following basis. First place 10 points down to Tenth place 1 point with team members gaining an additional 1 point for a clear round regardless of the place gained in the class

9.3.4 Entry In One Team Only

No dog or handler to be entered in more than one team."

DAC Dash Rules

sponsored by Suzanna Martin

The winning DAC Dash team will be the team which gains the most points over the Jumpers 1 classes at the NZDAC on Friday, 24 October on the following basis: First place 10 points down to 10th place one point, with team members gaining an additional one point for clear round regardless of the place gained in the class.
